Neighborhood Resource Centers Hosts “FUNDseeking Essentials” Workshop

Thirty-five (35) Long Beach residents attended a “FUNDseeking Essentials” workshop, **Wednesday, October 13, 2010** at the **Neighborhood Resource Center**.

John Glaza, Consulting Services Director at the **Long Beach Nonprofit Partnership**, discussed:

- How to locate funding opportunities
- Who gives grants/differences in funding sources
- How to determine if a funder is a good match
- How to identify organizational information essential for a grant proposal
- Tips for writing winning proposals
- What grant reviewers look for when evaluating proposals

Karen Reside, professional grant writer and principal of **Reside and Associates**, joined Glaza to discuss elements of a Case Statement, which clearly defines an organization and their need for charitable support. It is one of the essential elements of successful fundraising. They also discussed the basics of a grant proposal and offered tips for writing winning proposals.
