## Willmore Community Police Center Community Code Enforcement Meeting

The **Community Code Enforcement Group** is a group of Willmore City residents established in 2005 in a partnership with the **City of Long Beach Code Enforcement Inspectors**. This group is very concerned about quality of life in the Willmore area and support code enforcement inspectors by reporting common code enforcement violations. This is to make their neighborhood more attractive and safer. **Donald Olmstead** from **Code Enforcement Division** takes the lead in this process.

On September 15, 2010, the **Willmore Community Police Center** and the **Community Code Enforcement Group** held their monthly meeting.

The Willmore City residents and the Willmore Community Police Center continue working together to improve the quality of life in their neighborhood and encouraging citizen participation.
