Hellman Neighborhood Improvement Strategy (NIS) Area North Alamitos Beach Association (NABA) Community Code Enforcement Program Block Captain Meeting Community Improvement Neighborhood Forum

On Wednesday, November 18, 2009, the **North Alamitos Beach Association (NABA)** working in collaboration with the **Anaheim Street Community Police Center (APC)** held their monthly Community Improvement Neighborhood Forum. The event took place at the **Long Beach Senior Center**.

NABA, working in collaboration with the City of Long Beach **Code Enforcement Division** hosted the monthly **Community Code Enforcement (CCE) Block Captain** meeting. Fifteen Hellman NIS Area residents are working in collaboration with Code Enforcement inspectors to address property maintenance violations in the Hellman NIS Area. Thirty-four cases were filed on this day and all block captains received an update of past property maintenance referrals. **City of Long Beach Code Enforcement Inspector, David Woods**, addressed numerous questions regarding property maintenance and code violations. In 2009, CCE helped correct **500 maintenance violations** in the Hellman NIS Area.

After the CCE session, NABA hosted its monthly Community Improvement Safety meeting. **Mary Antunez**, of the **Long Beach Police Department South Division's Directed Enforcement Team** provided a community safety update and crime statistics. Additional issues discussed at this event included neighborhood improvement projects, **Neighborhood Partners Program (NPP)** grant opportunities, illegal dumping, graffiti prevention, landscaping projects, street maintenance, curb repairs, neighborhood clean-ups, and tree plantings.

This Community Improvement Neighborhood Forum is part of the **NABA's** efforts to make the **Hellman NIS area** a better and safer place to live.
