## GENERAL

### EXECUTIVE SUMMARY

Presented here is the FY 09 Action Plan, the fourth under the 2005 – 2010 Consolidated Plan. It provides details of the programs, activities and budgets for the program year October 1, 2008 through September 30, 2009.

The Department of Housing and Urban Development (HUD) consolidated the planning and application process of formula grant programs in 1995. The purpose was to coordinate program requirements and simplify the process of requesting and obtaining federal funds. The City of Long Beach receives four such grants: the Community Development Block Grant (CDBG), the HOME Investment Partnership Program Grant (HOME), the American Dream Downpayment Initiative Grant (ADDI) and the Emergency Shelter Grant (ESG). The consolidated planning process is intended to achieve the following:

- Promote citizen participation in the development of local priority needs benefiting low and moderate income persons;
- Develop a series of one-year Action Plans that will be the basis for assessment of performance; and
- Consult with public and private agencies on identifying needs and appropriate actions required to address those needs.

The City submitted its Five-Year Consolidated Plan in 2005. The timeframe of the plan is October 1, 2005 - September 30, 2010. The Consolidated Plan explains how and why federal HUD funding for housing and community development activities should be used based on identified local needs. It describes the City's plan to create a viable urban community which offers decent affordable housing, a suitable living environment and expanding economic opportunities, especially for low and moderate-income persons. The activities the City will undertake to achieve its stated objectives are detailed in the Consolidated Plan.

The City's priorities, which are identified in the Consolidated Plan and can be found throughout this Action Plan, are designed to principally serve very low, low, and moderate-income residents by addressing the following :

- Housing Needs
- Homeless Needs
- Community Development Needs  
(Economic Development, Public and Community Facilities,  
Infrastructure Improvements, Public and Community Services)
- Special Needs Populations

The purpose of the annual One-Year Action Plan is to update the Five-Year Consolidated Plan and to provide the City with a basis for assessing its progress in meeting the goals of the Plan through Consolidated Annual Performance and Evaluation Reports (CAPER). The One-Year Action Plan describes the resources expected to be available in the coming program year from federal, non-federal, and private sources. It includes a description of the activities that will be undertaken to meet the specific objectives in the Five-Year Consolidated Plan.

### **Objectives and Outcomes**

The City is being guided by HUD's Office of Community Planning Development (CPD) Outcome Performance Measurement System to address the high priority needs stated in its Consolidated Plan.

When funding an activity, the City determines which of three HUD objectives best describes the purpose of the activity. The three objectives are:

- Suitable Living Environment (SL) - In general, this objective relates to activities that are designed to benefit communities, families, or individuals by addressing issues in their living environment.
- Decent Housing (DH) - The activities that typically would be found under this objective are designed to cover the wide range of housing programs possible under HOME/ADDI, CDBG or ESG. This objective focuses on housing programs where the purpose of the program is to meet individual family or community needs and not programs where housing is an element of a larger effort, since such programs would be more appropriately reported under Suitable Living Environment.
- Creating Economic Opportunities (EO) - This objective applies to the types of activities related to economic development, commercial revitalization, or job creation.

Once the objective for the activity is identified, the City determines which of the three HUD outcome categories best reflects what the City seeks to achieve by funding the activity. The three outcome categories are:

- Availability/Accessibility (1) - This outcome category applies to activities that make services, infrastructure, public services, public facilities, housing, or shelter available or accessible to low-and moderate-income people, including persons with disabilities. In this category, accessibility does not refer only to physical barriers, but also to making the affordable basis of daily living available and accessible to low and moderate income people in the area in which they live.

- **Affordability (2)** - This outcome category applies to activities that provide affordability in a variety of ways in the lives of low-and moderate-income people. It can include the creation or maintenance of affordable housing, basic infrastructure hook-ups, or services such as day care.
- **Sustainability (3)** - Promoting Livable or Viable Communities. This outcome applies to projects where the activities are aimed at improving communities or neighborhoods, helping to make them livable or viable by providing benefit to persons of low-and moderate-income or by removing or eliminating slums or blighted areas, through multiple activities or services that sustain communities or neighborhoods.

Each outcome category can be connected to each of the overarching objectives, resulting in a total of nine pairings of nationally reportable outcome statements:

	<b>Outcome 1:</b> Availability/Accessibility	<b>Outcome 2:</b> Affordable	<b>Outcome 3:</b> Sustainability
<b>General Objective SL:</b> Suitable Living Environment	<b>SL-1</b> Improve the Accessibility of a Suitable Living Environment	<b>SL-2</b> Improve the Affordability of a Suitable Living Environment	<b>SL-3</b> Improve the Sustainability of a Suitable Living Environment
<b>General Objective DH:</b> Decent Housing	<b>DH-1</b> Improve the Accessibility of Decent Housing	<b>DH-2</b> Improve the Affordability of Decent Housing	<b>DH-3</b> Improve the Sustainability of Decent Housing
<b>General Objective EO:</b> Economic Opportunity	<b>EO-1</b> Improve the Accessibility of Economic Opportunities	<b>EO-2</b> Improve the Affordability of Economic Opportunities	<b>EO-3</b> Improve the Sustainability of Economic Opportunities

Each of the City’s specific objectives can be linked back to a nationally reportable outcome statement using the numbering system in the chart above.

### Past Performance and FY 09 Goals

The Consolidated Annual Performance and Evaluation Report (CAPER) for FY 08 will not be completed until December of 2008. *Table A* below summarizes actual accomplishments as of the close of FY 07 (constituting 40% of the time spanned by the current Consolidated Plan). FY 09 funding and goals for each of these specific objectives can be found in *Table B* and the chart that follows, as well as throughout subsequent sections of this Action Plan where they are organized by City-identified priority under one of the four major areas of need (Housing Needs, Homeless Needs, Community Development Needs, and Special Needs Populations).

**Table A: FY 07 Specific Objectives and Accomplishments**  
 Actual accomplishment listed for the second year (2005 – 07) of five-year goals

SL-1: Improve the Accessibility of a Suitable Living Environment	Five-Year Goal	Actual Accomplishment	Performance Ratio
Funding to non-profit organizations through social service grants	50 agencies	54 agencies	108 %
Supportive services for homeless individuals and families	N/A	49,768 persons	N/A
Emergency shelter activities	N/A	3,794 persons	N/A
Americans with Disabilities Act improvements to public facilities	25 facilities	25 facilities	100 %
Americans with Disabilities Act improvements to public parks	5 facilities	2 facilities	40 %
Facility improvements for non profit agencies	45 agencies	21 agencies	46 %
Grants to neighborhood groups for public facility improvement projects	50 facilities	24 facilities	48 %
Open Space and Park Development/Expansion	10 facilities	2 facilities	20 %
Maintenance of storefront community police centers	4 facilities	4 facilities	100 %
Technical support for residents and neighborhood organizations	125,000 persons	81,183 persons	65 %
Six months of leadership training for neighborhood residents	150 persons	65 persons	43 %
After school/weekend and mobile recreation services for youth	256,000 persons	449,087 persons	175 %

SL-3: Improve the Sustainability of a Suitable Living Environment	Five-Year Goal	Actual Accomplishment	Performance Ratio
Home improvement rebates, home security, and tool rental	1,750 units	1,565 units	89 %
Code enforcement activities	126,125 units	54,148 units	43 %
Neighborhood sidewalk replacement (by program-trained youth)	2,500 sq. feet	4,754 sq. feet	190 %
Sidewalk replacement and alley improvement	1,000,000 sq. feet	582,550 sq. feet	58 %
New trees planted through the Urban Forestry Program	1250 trees	506 trees	40 %
Interim assistance through neighborhood clean-ups	100 clean-ups	158 clean-ups	158 %
Services engaging residents in neighborhood problem-solving activities	25,000 persons	18,091 persons	72 %
Graffiti removal services and graffiti abatement landscaping	125,000 sites	83,705 sites	67 %
Murals at public facilities, guided by community input	5 sites	4 sites	80 %
Fair housing assistance and tenant/landlord counseling	12,000 persons	4,272 persons	36 %

DH-2: Improve the Affordability of Decent Housing	Five-Year Goal	Actual Accomplishment	Performance Ratio
Production of multi-family rental and for-sale residential units	48 units	72 units	154 %
Security/utility deposit and tenant-based rental assistance	90 households	113 households	126 %
Multi-family acquisition and multi-family rehabilitation	242 units	478 units	198 %
Section 8 down payment assistance, second mortgage assistance, acquisition/rehabilitation of foreclosed properties	61 households	1 household	2 %*
Down payment assistance for qualified first-time homebuyers	31 households	0 households	0 %*

DH-3: Improve the Sustainability of Decent Housing	Five-Year Goal	Actual Accomplishment	Performance Ratio
Homeowner-occupied residential rehabilitation	480 units	95 units	20 %*

EO-1: Improve the Accessibility of Economic Opportunities	Five-Year Goal	Actual Accomplishment	Performance Ratio
Economic development activities for the purpose of job creation	121 jobs	135 jobs	109 %

EO-2: Improve the Affordability of Economic Opportunities	Five-Year Goal	Actual Accomplishment	Performance Ratio
Economic development activities for the purpose of business attraction, creation, retention, and expansion	2,350 businesses	2361 businesses	100 %

\* Below performance ratio due to housing market condition. City is striving to meet goals within 5-year Plan period.

**Table B: FY 09 Specific Objectives and Goals**

SL-1: Improve the Accessibility of a Suitable Living Environment	Five-Year Goal	FY 09 Goals	Performance Ratio
Funding to non-profit organizations through social service grants	50 agencies	10 agencies	20 %
Supportive services for homeless individuals and families	N/A	4,475 persons	N/A
Emergency shelter activities	N/A	4,475 persons	N/A
Facility improvements for non profit agencies	45 agencies	9 agencies	20 %
Grants to neighborhood groups for public facility improvement projects	50 facilities	10 facilities	20 %
Open space and park development	10 facilities	2 facilities	20 %
Storefront community police centers	4 facilities	4 facilities	100 %
Technical support for residents and neighborhood organizations	125,000 persons	25,000 persons	20 %
Six months of leadership training for neighborhood residents	150 persons	30 persons	20 %
After school/weekend and mobile recreation services for youth	256,000 persons	53,000 persons	20 %

SL-3: Improve the Sustainability of a Suitable Living Environment	Five-Year Goal	FY 09 Goals	Performance Ratio
Home improvement rebates, home security and tool rental	1,750 units	350 units	20 %
Code enforcement activities	126,125 units	25,225 units	20 %
Neighborhood sidewalk replacement (by program-trained youth)	2,500 sq. feet	500 sq. feet	20 %
Sidewalk replacement and alley improvement	1,000,000 sq. feet	200,000 sq. feet	20 %
New trees planted through the Urban Forestry Program	1250 trees	250 trees	20 %
Interim assistance through neighborhood clean-ups	100 clean-ups	20 clean-ups	20 %
Services engaging residents in neighborhood problem-solving activities	25,000 persons	5,000 persons	20 %
Graffiti removal services and graffiti abatement landscaping	125,000 sites	25,000 sites	20 %
Murals at public facilities, guided by community input	5 sites	1 site	20 %
Fair housing assistance and tenant/landlord counseling	12,000 persons	2,400 persons	20 %

DH-2: Improve the Affordability of Decent Housing	Five-Year Goal	FY 09 Goals	Performance Ratio
Production of multi-family rental and for-sale residential units	48 units	1 unit	2 %
Security/utility deposit and tenant-based rental assistance	90 households	191 households	212 %
Multi-family acquisition and multi-family rehabilitation	242 units	100 units	41 %
Section 8 down payment assistance, second mortgage assistance, acquisition/rehabilitation of foreclosed properties	61 households	8 households	13 %
Down payment assistance for qualified first-time homebuyers	31 households	9 households	29 %

DH-3: Improve the Sustainability of Decent Housing	Five-Year Goal	FY 09 Goals	Performance Ratio
Homeowner-occupied residential rehabilitation	480 units	90 units	19 %

EO-1: Improve the Accessibility of Economic Opportunities	Five-Year Goal	FY 09 Goals	Performance Ratio
Economic development activities for the purpose of job creation	121 jobs	24 jobs	20 %

EO-2: Improve the Affordability of Economic Opportunities	Five-Year Goal	FY 09 Goals	Performance Ratio
Economic development activities for the purpose of business attraction, creation, retention, and expansion	2,350 businesses	470 businesses	20 %

## Fund Distribution by Objective and Outcome

Detailed funding information can be found in the Listing of Proposed Projects included in appendix D of this Action Plan.

### GENERAL DESCRIPTIONS

#### Geographic Areas and Basis for Allocation

The City of Long Beach has a population of over 490,000, making it the fifth largest city in California. Overlooking the San Pedro Bay on the south coast of Los Angeles County, Long Beach is 22 miles south of downtown Los Angeles and 10 miles southwest of Anaheim with an area of 54 square miles.

Because the primary national objectives of the Consolidated Plan programs are to benefit low-income and moderate-income residents, the City's CDBG funds will be targeted to very low, low and moderate-income neighborhoods and businesses that provide jobs to low- or moderate-income individuals. The City has traditionally focused an annual average of 99% of its CDBG resources on activities that exclusively benefit low/moderate-income persons. This trend is expected to continue in FY 09.

Ten Neighborhood Improvement Strategy (NIS) target areas are the main focal points for CDBG funds in the FY 09 Action Plan. In 1990, as part of an effort to maximize the impact of neighborhood revitalization activities, the City of Long Beach adopted the Neighborhood Improvement Strategy (NIS). NIS utilizes federal, state, and local resources in a comprehensive manner to improve targeted neighborhoods. Resources are directed toward ten specific target areas in order to maximize impact and create immediate improvements. These areas were selected using criteria developed by a task force of City staff. Indicators of problems or potential problems were assessed for each neighborhood. Selections were made based on the number and types of problems existing in the neighborhood (poverty, physical blight, and crime) as well as the potential for

effective problem solving and neighborhood resident involvement. This comprehensive approach to neighborhood development extends to neighborhood improvement, housing, economic development, and public service activities.

The City of Long Beach will target funds to these areas as well as similar areas, such as Redevelopment and Housing Action Plan areas, which include many census tracts with low-income families and/or racial/minority concentration. The City will continue to target its Economic Development activities to businesses providing jobs to low/moderate-income individuals.

Redevelopment is a tool created by state law to assist local governments in eliminating blight from a designated area, as well as to achieve the goals of development, reconstruction, and rehabilitation of residential, commercial, industrial and retail districts. Since the Long Beach Redevelopment Agency (RDA) was formed in 1961, seven redevelopment projects have been adopted. The project areas include: Central Long Beach, Downtown, Los Altos, North Long Beach Poly High, West Beach and West Long Beach Industrial. Although Redevelopment Areas are not all within the CDBG census tracts, Redevelopment Area residents within CDBG-eligible areas benefit from both RDA and entitlement-funded projects and programs.

HOME funds can be spent anywhere in the City, but most projects have traditionally been located within Redevelopment and NIS areas. The Housing Services Bureau developed a Housing Action Plan (HAP) designed to most effectively direct its resources to address housing priorities. The City's Housing Action Plan is focused in three areas: North Long Beach, Washington, and Central. A large portion of CDBG, HOME, and Redevelopment funds will be used to create and/or enhance affordable housing in the HAP area and provide interim assistance to area residents as new affordable housing is developed and existing units are rehabilitated.

The Central Focus HAP area falls almost entirely within the Central NIS Area, with the exception of the South Wrigley neighborhood located west of Long Beach Boulevard. The Central Long Beach Redevelopment Project Area includes the western half of the Focus Area (west of Atlantic Avenue), and east along Pacific Coast Highway.

The majority of the North Long Beach King HAP Area falls within the North Long Beach/King School NIS Area, with the exception of the area located west of Long Beach Boulevard. The North Long Beach Redevelopment Project Area include the entire Focus Area.

The Washington School HAP Area falls entirely within the Washington School Neighborhood Improvement Strategy Area (NIS) and is also within the Central Long Beach Redevelopment Project Area.

The following map shows CDBG-eligible areas overlaid with NIS target areas. Appendix C includes detailed maps of the ten NIS target areas along with relevant statistics. Also included are maps of Redevelopment Project Areas and the City Housing Action Plan areas.

**Meeting Underserved Needs**

The City will continue to target low/moderate-income persons, families, and neighborhoods with its federal, state, and local resources in a comprehensive and coordinated strategy to address individuals and families that are underserved. This approach is designed to leverage private resources to augment and enhance the City’s efforts. The NIS Program and Neighborhood Leadership Program (NLP) will continue in FY 09. These and other programs focus on developing the skills and confidence of neighborhood residents to prepare them for leadership roles in their communities. They are designed to improve housing, neighborhood conditions, and enhance the quality of life in low-income neighborhoods. Mobile recreation will continue as a means of providing supervised recreation opportunities to neighborhoods that lack sufficient parks and/or play areas. Continued support will be provided for the Community Police Centers established in four low-income neighborhoods over the past eight years. These centers, primarily staffed and operated by neighborhood volunteers and community liaisons, provide a valuable link between residents and local police. The Neighborhood Business Investment Program will continue to offer small start-up grants for newly established businesses locating in and serving low/moderate-income neighborhoods.

**Federal, State, and Local Resources**

The Action Plan utilizes federal resources from Community Development Block Grant (CDBG), HOME Investment Partnership Act (HOME), American Dream Downpayment Initiative (ADDI) provided under the HOME Program, and the Emergency Shelter Grant (ESG) entitlement program. The amounts shown also reflect reallocated funds in the CDBG and HOME programs. HUD funding under the Action Plan for FY 09 includes the following resources:

Available Funds	CDBG	ESG	HOME	ADDI	TOTAL
New Entitlement	\$8,654,215	\$384,113	\$4,671,020	\$25,874	\$13,735,222
Prior Year Uncommitted	\$1,780,169	\$0	\$2,322,237	\$164,991	\$4,267,397
Program Income	\$400,000	\$0	\$2,000,000	\$0	\$2,400,000
<b>Total Available Funds</b>	<b>\$10,834,384</b>	<b>\$384,113</b>	<b>\$8,993,257</b>	<b>\$190,865</b>	<b>\$20,402,619</b>

- New Entitlement: FY 08 Grant Year HUD allocated funds. Grant amounts are determined by HUD formula.
- Prior Year Uncommitted Funds: Carryover funds that are not committed to on-going, multi-year projects.
- Program Income: Income received by the City directly generated through the use of CDBG or HOME/ADDI funds.

The allocation of these resources to anticipated projects and programs is shown in the *Listing of Proposed Action Plan Budget and Projects* in appendix D.

***The City of Long Beach has not received any surplus funds from urban renewal settlement or float-funded activities. Furthermore, the City of Long Beach has returned no grant funds to the line of credit.***

In addition to this Action Plan Budget, additional federal, local, and private funds, including City Redevelopment Agency and State low-income housing tax credit funds, will be utilized to address the needs identified in the Consolidated Plan. In FY 07, the City of Long Beach leveraged \$76,456,025 in additional funds, including \$58,450,228 in Section 8 funding and \$6,200,00 in Housing Set-Aside. In addition, various CDBG, HOME, and ESG-funded programs had a required match and program-designed match in the amount of \$1,273,878. The following table shows the anticipated sources of these resources in FY 09:

<b>FEDERAL</b>	<b>\$ 88,014,341.00</b>
CDBG	10,834,384.00
HOME	8,992,257.00
ESG	384,113.00
ADDI	190,865.00
Section 8	67,612,722.00
* SNAPS (Special Needs Populations)	-
<b>LOCAL</b>	<b>\$ 35,969,000.00</b>
<b>STATE</b>	<b>\$ 28,237,000.00</b>
Housing Set-Aside	28,237,000.00
* 21st Century State Bond (Youth programs)	-
* CalHome	-
<b>CITY</b>	<b>\$ 7,732,000.00</b>
<b>General Fund</b>	
Public Facilities Improvement	3,000,000.00
Code Enforcement Activities	2,800,000.00
<b>Health Fund</b>	
Code Enforcement Activities	532,000.00
<b>Redevelopment Fund</b>	
Residential Rehabilitation (NEA)	750,000.00
Code Enforcement Activities	650,000.00
* State Low Income Housing Tax Credit (HOME Project)	-
<b>PRIVATE</b>	<b>\$ 2,180,287.00</b>
<b>BANKS</b>	<b>\$ 1,050,000.00</b>
<b>Grow America Revolving Fund</b>	
Business Loans	1,050,000.00
<b>COMMUNITY ORGANIZATIONS</b>	<b>\$ 54,672.00</b>
** Neighborhood Partners Program (Match from Applicants)	54,672.00
<b>NONPROFITS</b>	<b>\$ 397,437.00</b>
Emergency Shelter Grant (Agency Match)	\$ 384,113.00
** Non-Profit Assistance Program (Agency Match)	13,324.00
<b>OWNERS</b>	<b>\$ 678,178.00</b>
** NSB Commercial Improvement Rebate (Owner Match)	174,627.00
** NSB Residential Rehabilitation (Owner Match)	124,914.00
** NEA Residential Rehabilitation (Owner Match)	378,637.00

\* Amount will be provided at a later date

\*\* Estimated based on FY 07 and FY 08 data.

## **MANAGING THE PROCESS**

### **Lead Agency**

As the entitlement grantee for the CDBG, HOME/ADDI and ESG programs, the City of Long Beach Department of Community Development is the lead agency for the development of this Annual Action Plan. The department will also act as one of several public and private agencies that will administer programs and activities under the plan. The Department of Community Development oversees community development, economic development, and housing programs.

In an effort to increase the direct effectiveness of the Emergency Shelter Grant, the Department of Community Development coordinates the distribution and supervision of ESG funds to the Department of Health and Human Services, which handles the actual distribution and supervision of funds to non-profits (the direct recipients of ESG funds). The Department of Health and Human Services also prepares the Continuum of Care for the City of Long Beach and submits the City's application for Shelter Plus Care and Supportive Housing Program Grants. This department has significant knowledge and expertise with the homeless community, and provides assistance to non-profit agencies serving homeless individuals and families.

### **Plan Development**

The Consolidated Plan and Action Plans represent a comprehensive planning effort mainly led by the Community Development Advisory Commission, with involvement of local government experts, the social service community, residents, and consultation with other local HUD entitlement communities. The Commission is appointed by the Mayor and consists of fifteen Long Beach residents representing a cross-section of the community serving as voluntary commissioners. They represent:

- Business and Industry
- Social Services
- Housing Rehabilitation
- Low-Income
- Minorities
- Housing
- Redevelopment
- At-Large [one member]

The Commission works closely with staff to ensure that careful consideration is given to the City's identified needs, and that programs and services are cost-effective and meet specific goals and objectives.

## **Enhancing Coordination**

The City of Long Beach will continue to coordinate and share ideas with residents, other local government entities, affordable housing providers, and social service agencies to maximize the effectiveness of planned activities.

Long Beach expands its existing relationships with local jurisdictions through participation in sub-regional planning efforts through the Gateway Cities Council of Governments. In addition, the City regularly meets with representatives from other cities through the Southern California Neighborhood Partners to share ideas and achieve coordinated solutions to regional issues. The City also regularly distributes its Federal HUD reports and public meeting announcements to local and county officials.

Long Beach interacts with various non-profit agencies and public service groups in the delivery of programs through its federal entitlement and other resources. These agencies are assisted by City staff in planning programs and projects, ensuring activity eligibility and costs, complying with federal regulations and requirements, and monitoring the timely expenditure of annually allocated program funds. The City requires agencies to submit quarterly and annual reports to meet federal requirements, and periodically conducts on-site monitoring reviews.

## **CITIZEN PARTICIPATION**

### **Citizen Participation Process**

The development of the City of Long Beach FY 09 Action Plan involves extensive citizen participation. The Community Development Advisory Commission is responsible for compliance with the City of Long Beach Citizen Participation Plan. As such, it conducts two public hearings and works closely with City staff to ensure that a significant multilingual community outreach and education effort is completed prior to the adoption of this Plan.

After a notice was published in four local newspapers, the Commission conducted an initial Public Hearing on March 19, 2008 to solicit public comments on the City's intent to begin the preparation of the FY 09 Action Plan. In addition to published notices in English, Spanish, and Khmer (Cambodian), fliers announcing the Public Hearing were e-mailed to over 1,000 individuals and organizations. As a result of this extensive community outreach, 4 residents testified at the March 19<sup>th</sup> Public Hearing.

The Commission and staff developed a list of organizations from which to seek comments on the Action Plan. Presentations were made to neighborhood and community organizations that benefit from CDBG, HOME/ADDI, and ESG-funded services.

The Commission will conduct a second Public Hearing on June 18, 2008 to solicit public comments on the draft FY 09 Action Plan. The Action Plan will include all public comments received at the Public Hearing and written responses from staff. At the conclusion of the Public Hearing, the Commission will recommend whether the Long Beach City Council should approve the FY 09 Action Plan.

At a public meeting, the Long Beach City Council will review the Action Plan recommended by the Commission along with the citizen comments. Once the City Council approves the Plan, it will be submitted to the United States Department of Housing and Urban Development.

### **Citizen Comments**

For citizen comments, please refer to appendix A.

### **Efforts to Broaden Participation**

The components of the citizen participation plan discussed above have been designed with the explicit intention of accommodating and encouraging participation by low- and moderate-income residents, residents of low- and moderate-income neighborhoods, members of minority groups, persons with limited English skills, and persons with disabilities.

Community outreach efforts include presentations and requests for comments at community meetings. For a list of meetings at which staff presented on the FY 09 Action Plan, please refer to appendix A.

### **Comments Not Accepted**

To date, all comments have been incorporated into the draft plan.

## **INSTITUTIONAL STRUCTURE**

The central responsibility for the administration of the Action Plan is assigned to the Neighborhood Services Bureau. This agency will coordinate activities among the public and private organizations to realize the prioritized goals of the Annual Action Plan. Extensive public-private partnerships have been established and organized to address the City's housing, homeless, and community development needs. The Neighborhood Services Bureau will access, facilitate, and coordinate resource linkages and draw from the immediate sources of expertise in the community to strengthen existing partnerships and develop new collaboratives.

## MONITORING

The Department of Community Development Neighborhood Services Bureau is responsible for ensuring the use of US Department of Housing and Urban Development (HUD) funds complies with program requirements through program performance monitoring. Monitoring is proactive and ongoing to ensure federal compliance and evaluate the effectiveness of HUD-funded programs. The primary goals of monitoring are to:

- Ensure production and accountability;
- Ensure compliance and consistency with HUD regulations; and
- Evaluate organizational and project performance.

### **CDBG and ESG Monitoring:**

A Monitoring Plan has been developed and implemented. The plan includes:

- Standardized procedures for reporting by program service providers;
- Standardized procedures for monitoring frequency and reviews; and
- Availability of staff and other resources to assist in meeting HUD regulations.

At the beginning of the program year, a meeting is set with program providers to discuss the reporting requirements and Monitoring Plan.

Program providers are required on a quarterly basis to provide progress reports, which are reviewed for compliance. A site review, held quarterly, is scheduled with the program providers. An entrance interview is held at the beginning of the program year with key representatives for clarification of the program's purpose, scope, objectives and goals. HUD-required records and information to be collected are then discussed. The review ends with an exit conference to present preliminary results of the monitoring, to provide an opportunity to discuss program compliance and reporting concerns, and to provide an opportunity for the program provider to report on steps being taken to address areas of non-compliance or non-performance. Formal notification of the results of the monitoring review is sent to the program provider, which creates a permanent written record, an outline of concerns and findings, and set deadlines for a written response and corrective actions, if any.

It is the monitor's responsibility to provide the technical assistance needed to ensure that the programs are productive and in compliance with federal regulations.

### **HOME Monitoring:**

The City of Long Beach will follow monitoring standards and procedures regarding affordable housing projects it has funded in order to ensure compliance with HOME program regulations. The City's HOME monitoring standards and procedures are as follows:

- 1) The City will monitor the HOME program to ensure that HOME funding is used in conjunction with nonprofit partners, including Community Housing Development Organizations (CHDOs), in accordance with HOME regulations. The City evaluates organizations' qualifications and designates them as CHDOs. The City will use a minimum of 15 % of its annual HOME allocation for housing owned, developed or sponsored by CHDOs.
- 2) The City will monitor all activities undertaken with HOME funds to ensure that they are consistent with the City's Consolidated Plan.
- 3) The City will review the status of HOME grants to monitor the 24-month deadline to commit HOME funds and the five-year deadline to expend HOME funds.
- 4) The City will leverage HOME funds with private, local and nonprofit dollars. HOME regulations state that a 25 % matching obligation is incurred for the HOME funds expended. A record of match obligations and contributions will be maintained in a Match Log. Match will be reported to HUD annually in the Consolidated Annual Performance Evaluation Report (CAPER).
- 5) The City will monitor HOME activities to ensure that the activities are eligible under the HOME Program and the associated costs are related to affordable housing tasks.
- 6) The City will monitor HOME activities to ensure compliance with minimum HOME investment requirements. The minimum amount of HOME funds is an average of \$1,000, multiplied by the number of HOME-assisted units in a project. The City will also monitor HOME activities to ensure compliance with the maximum per-unit HOME subsidy limits applicable to the City of Long Beach.
- 7) The City will monitor HOME activities to ensure compliance with the HOME maximum purchase price/after-rehab value limits, the 203(b) limits applicable to the City of Long Beach, for owner-occupied and homebuyer properties. The City will conduct the required frequency of property inspections as stated in the HOME regulations. At least 15 % of the HOME-assisted rental units in a project and a minimum of one unit in every building will be inspected during the period of affordability per the following schedule: 1 to 4 units, every 3 years; 5 to 25 units, every 2 years; and 26 or more units, annually. The City will monitor HOME funded rehabilitation work to ensure compliance with methods and materials to be used when performing rehabilitation activities.

- 8) The City will monitor HOME activities to ensure that HOME funds are used to assist households with incomes at or below 80 % of the area median income. The City will also ensure that for each annual HOME allocation, 90 % of the occupants of HOME-assisted rental units and households assisted with HOME-funded TBRA have incomes that are 60 % or less of the area median and 20 % of the units in each rental housing project containing five or more units are occupied by tenant households with incomes at or below 50 % of median income. Household incomes of tenants residing in HOME-assisted rental units will be re-certified on an annual basis.

## **Additional Performance Measurement**

The City of Long Beach has implemented a citywide integrated management system called Focus On Results (FOR) Long Beach. The goals of FOR Long Beach are to:

- Align resources around City Council and community priorities;
- Focus the entire organization on common objectives;
- Empower the work team;
- Improve efficiency and effectiveness of City services;
- Increase accountability at all levels of organization; and
- Communicate status of performance regularly.

FOR Long Beach was designed to strengthen the decision-making process and serve as a critical communication link between City Council, City staff, and the community. The system links budget and performance information for the entire organization. It facilitates regular and integrated performance reporting, highlights performance and resource gaps, and enables the optimization of service delivery based on demand, results, and best practices.

The activities of HUD formula grant programs have been integrated into the City's goals and strategies as communicated through citywide and departmental Strategic Plans. Results of many of the CDBG, ESG and HOME-funded activities reported herein are also communicated to City Council, City staff and the community through monthly, quarterly, and annual FOR Long Beach performance reports.

## **LEAD-BASED PAINT**

In FY 09, actions will be continued to evaluate and reduce the number of housing units containing lead-based paint hazards. These efforts will increase the inventory of lead-safe housing available to extremely low-income, low-income, and moderate-income families.

All CDBG, HOME, ADDI, and ESG-funded housing programs and projects have incorporated lead-based paint hazard reduction efforts. In addition, Code Enforcement has used Lead Safe Work Practice (LSWP) standards to correct code enforcement violations. Five full-time equivalent Code Enforcement employees have obtained the State of California Department of Public Health Lead Inspection Assessor certification. These five act as the ears and eyes for detecting and correcting properties with lead-based hazards.

In addition to the aforementioned programs and projects, Healthy Homes and Childhood Lead Poisoning Prevention Program (CLPPP) collaborated to write a grant called Lead Education and Outreach Program (LEO). The grant is funded by the Environmental Protection Agency (EPA) and started October 1, 2007 and will run through September 30, 2009.

The first objective of the LEO grant is to provide the Cambodian community with educational material in their native language of Khmer, stressing the importance of screening young children for lead. Another objective is to offer lead presentations to child care providers and to provide parents with information about lead poisoning prevention and the importance of screening young children. A further objective is to outreach to multi-unit dwellings built before 1978 within the 90813 and 90805 zip codes, specifically focusing outreach efforts to families who have children under the age of 5 years of age and have not been screened for lead. Specialist then gather two samples from these dwellings and have them tested for lead through the City of Long Beach Public Health Lab. The reports are sent back to the parents with instructions if lead is discovered in their home.

The Department of Health and Human Services also manages a Childhood Lead Poisoning Prevention Program (CLPPP) focusing on case management of children with elevated blood lead levels as defined by the State. This program provides community outreach regarding lead poisoning prevention and the hazards of lead poisoning and lead sources. Health education presentations and materials are provided at community events and meetings. Public Health Nurses (PHNs) provide case management services to children who are referred to the program. Case management services include an interview and lead prevention and nutrition education by PHNs with the parents. The PHNs encourage parents to conduct medical follow-up for children who have lead poisoning. A Registered Environmental Health Specialist provides an environmental inspection including on-site testing and specimen collection for possible sources of lead for testing by the Health Department Public Health Laboratory. The PHNs also provide outreach and education to parents of children with lower lead levels and to adults who have elevated lead levels.

On December 30, 2007, the City completed a three-year HUD Lead Hazard Control (LHC) grant to reduce childhood lead poisoning. This \$3 million renewal grant was awarded to the Department of Health and Human Services Bureau of Environmental Health. In implementing this grant, the Department has partnered with a variety of government, private sector, and community-based organizations. The primary objective of the grant was to implement cost-effective methods for identifying, controlling, and eliminating lead-based paint hazards in designated low-income neighborhoods. Additionally, the grant funded training, employment, and other economic opportunities for low-income and minority residents and businesses. By December 30, 2007, 487 units received lead hazard evaluation of which 435 units had undergone lead hazard control remediation and were cleared. During the grant period, 433 residents were trained in Lead Safe Work Practice (LSWP) and 35 education outreach events were conducted. In addition, training classes were held to educate employees in the construction trade on how to avoid creating lead hazards when conducting maintenance and minor construction activities. Furthermore, four additional contractors were approved to provide bids to the City with the anticipation that this expanded base of contractors will allow the City to expedite abatement activities in the future.

Currently, the City is in the process of applying for a new three-year HUD Lead Hazard Control (LCH) grant. We anticipate the program will be fully reinstated by the end of this Fiscal Year.

# HOUSING NEEDS

## SPECIFIC HOUSING OBJECTIVES

The City of Long Beach has identified three high priority housing needs that will be addressed in FY 09. These priorities are listed below along with the specific, measurable objectives that correspond to each. The specific objectives can be linked back to nationally-recognized outcome statements using the codes provided.

### Provide and Preserve Safe, Decent and Affordable Housing for Long Beach Households with the Greatest Need (High Priority)

DH-2 The City of Long Beach will assist affordable housing developers in the production of affordable rental housing and affordable ownership housing with financial assistance including predevelopment loans, bridge loans, construction loans, and permanent financing.

**Total FY 09 HOME Funding: \$100,000**

Funding Source	Activities Under This Specific Objective	Performance Indicators
HOME/ Set-aside	<ul style="list-style-type: none"> <li>Multi-Family Residential Rental Housing Production</li> <li>For-Sale Residential Housing Production</li> </ul>	<ul style="list-style-type: none"> <li>Number of housing units</li> </ul>

**FIVE-YEAR GOAL: 48**

**FY09 GOAL: 1**

DH-2 The City of Long Beach will provide security deposit assistance to qualified low-income, formerly homeless households, to enable them to secure long-term permanent housing in unsubsidized apartments. The City will also provide rental assistance to qualified tenants in properties rehabilitated with HOME funds.

**Total FY 09 HOME Funding: \$294,400**

Funding Source	Activities Under This Specific Objective	Performance Indicators
HOME	<ul style="list-style-type: none"> <li>Tenant-Based Rental Assistance</li> <li>Security Deposit/Utility Deposit Assistance</li> </ul>	<ul style="list-style-type: none"> <li>Number of fouseholds assisted</li> </ul>

**FIVE-YEAR GOAL: 90**

**FY09 GOAL: 191**

**Address Substandard Conditions and Severe Overcrowding in Long Beach Neighborhoods (High Priority)**

SL-3 The City of Long Beach will provide home improvement activities to maintain the current housing stock in targeted low- and moderate-income areas in order to sustain a suitable living environment.

**Total FY 09 CDBG Funding: \$758,854**

<b>Funding Source</b>	<b>Activities Under This Specific Objective</b>	<b>Performance Indicators</b>
CDBG/ RDA	<ul style="list-style-type: none"> <li>• Home Improvement Rebate</li> <li>• Tool Rental Assistance</li> <li>• Home Security Program</li> </ul>	<ul style="list-style-type: none"> <li>• Housing units to be assisted that are occupied by low-income households</li> </ul>
<b>FIVE-YEAR GOAL: 1,750</b>		<b>FY09 GOAL: 350</b>

SL-3 The City of Long Beach will provide code enforcement activities to maintain the current housing stock in targeted low- moderate-income areas in order to sustain a suitable living environment.

**Total FY 09 CDBG Funding: \$2,108,500**

<b>Funding Source</b>	<b>Activities Under This Specific Objective</b>	<b>Performance Indicators</b>
CDBG	<ul style="list-style-type: none"> <li>• Fresh Start</li> <li>• Intensified Code Enforcement</li> <li>• City Attorney Code Enforcement</li> <li>• City Prosecutor Code Enforcement</li> <li>• Proactive Code Enforcement</li> <li>• Police Code Enforcement</li> </ul>	<ul style="list-style-type: none"> <li>• Number of housing units inspected in LOW/MOD areas</li> </ul>
<b>FIVE-YEAR GOAL: 126,125</b>		<b>FY09 GOAL: 25,225</b>

DH-2 The City of Long Beach will provide low-interest loans, typically at 0%, to private owners, nonprofit housing developers, and certified CHDOs to rehabilitate multi-family residential rental properties for occupancy by low- and very low-income households at affordable rents. This project also includes acquisition and/or rehabilitation by the City, the Long Beach Housing Development Company, or a City-designated nonprofit housing developer of HUD foreclosed properties for rent to low- and very low-income households.

**Total FY 09 HOME Funding: \$3,272,033**

<b>Funding Source</b>	<b>Activities Under This Specific Objective</b>	<b>Performance Indicators</b>
HOME	<ul style="list-style-type: none"> <li>• Multi-Family Residential Rental Rehabilitation Loan Program</li> <li>• Multi-Family Residential Acquisition/Rehabilitation Loan Program</li> <li>• Acquisition and/or Rehabilitation of Properties</li> </ul>	<ul style="list-style-type: none"> <li>• Number of housing units</li> </ul>
<b>FIVE-YEAR GOAL: 242</b>		<b>FY09 GOAL: 100</b>

DH-3 The City of Long Beach will provide low-interest (3%) loans to low-income homeowners to rehabilitate owner-occupied residential property of 1-4 units on a lot.

**Total FY 09 HOME Funding: \$2,500,000**

<b>Funding Source</b>	<b>Activities Under This Specific Objective</b>	<b>Performance Indicators</b>
HOME	<ul style="list-style-type: none"> <li>• Homeowner-Occupied Residential Rehabilitation</li> </ul>	<ul style="list-style-type: none"> <li>• Number of housing units</li> </ul>

**FIVE-YEAR GOAL: 480**

**FY09 GOAL: 90**

**Encourage Owner Occupancy (High Priority)**

DH-2 The City of Long Beach and/or the Long Beach Housing Development Company will acquire and/or rehabilitate properties for sale to low- and very low-income households. The City will provide qualified first-time Section 8 homebuyers purchasing in the City of Long Beach with below-market interest rate loans and conditional grants for down payment and non-recurring closing costs.

**Total FY 09 HOME Funding: \$1,885,577**

<b>Funding Source</b>	<b>Activities Under This Specific Objective</b>	<b>Performance Indicators</b>
HOME	<ul style="list-style-type: none"> <li>• Down Payment Assistance Program for Section 8 Homebuyers</li> <li>• 2nd Mortgage Assistance</li> <li>• Acquisition/Rehabilitation of Properties</li> </ul>	<ul style="list-style-type: none"> <li>• Number of households assisted</li> </ul>

**FIVE-YEAR GOAL: 61**

**FY09 GOAL: 8**

DH-2 The City of Long Beach will provide down payment assistance toward the purchase of single-family housing through loans, advances, deferred payment loans, grants, or other forms of assistance consistent with the ADDI requirements to qualified first-time homebuyers.

**Total FY 09 ADDI Funding: \$190,865**

<b>Funding Source</b>	<b>Activities Under This Specific Objective</b>	<b>Performance Indicators</b>
ADDI	<ul style="list-style-type: none"> <li>• Down Payment Assistance Program for Qualified First-Time Homebuyers.</li> </ul>	<ul style="list-style-type: none"> <li>• Number of households assisted</li> </ul>

**FIVE-YEAR GOAL: 31**

**FY09 GOAL: 9**

## **NEEDS OF PUBLIC HOUSING**

The City of Long Beach does not own public housing units. However, the Los Angeles County-owned Carmelitos Housing Project is located in the City of Long Beach. In FY 09, the City will continue to inform residents of the Carmelitos Housing Project about available City programs, including Welfare-to-Work. The City will also continue to develop our working relationship with the Los Angeles County Community Development Commission and coordinate appropriate services to residents of the Carmelitos Housing Project.

## **BARRIERS TO AFFORDABLE HOUSING**

The City is facing a housing crisis: housing units are overcrowded and many neighborhoods face deterioration because of housing unit age and lack of private investment. The City has adopted a Housing Action Plan (HAP) that serves as the framework for the allocation of scarce housing resources, maximizing the utilization of these resources to benefit residents with the greatest housing need and revitalizing and stabilizing neighborhoods with the most need. The purpose of the HAP is to focus and allocate affordable housing funds (Redevelopment housing set-aside funds and federal HOME funds) over the next several years. The HAP allocates these funds according to income (very low, low, and moderate) and tenure (owner/renter) within general program parameters. The HAP also recommends focusing efforts in three specific neighborhoods in the City to strengthen and make a difference in those neighborhoods, where actual needs can be identified and remediation brought to bear with the proper concentrated resources. The Mayor and City Council approved the Housing Action Plan in June 2004.

The City will continue to facilitate and encourage the development of affordable housing through its public nonprofit corporation, The Long Beach Housing Development Company (LBHDC). The LBHDC is a nonprofit, public benefit corporation established to ensure the development and creation of affordable housing opportunities, including both rental and home ownership. The two major sources of revenue for The LBHDC are the 20% Redevelopment Tax Increment Housing Set-Aside from the City's seven Redevelopment project areas, and federal HOME funds. The LBHDC will work with Community Housing Development Organizations (CHDOs) and other developers to create additional housing opportunities for low-income funding and both low and very low-income families and individuals.

The City's Housing Services and Neighborhood Services Bureaus will work with the LBHDC and the City to identify and finance affordable housing developments and programs that will provide safe, decent, and affordable rental and ownership opportunities for Long Beach residents and workers.

The City of Long Beach will continue to undertake a number of efforts aimed at eliminating barriers to affordable housing and ameliorating the negative effects of

public policies that serve as barriers to affordable housing.

Among the most recent efforts in this regard are the following:

1. The Downtown Planned Development District 30 (PD-30) was amended to provide moderate to high density housing opportunities for persons working in the Downtown area. This amendment facilitated development of the Puerto del Sol apartment development consisting of 64 affordable units (30 units at 40% of median, 33 units at 50% of median and 1 unit at 60% of median). This project was completed on March 8, 2008
2. The Downtown Shoreline Planned Development District 6 (PD-6) was amended to reduce the allowable retail area in the planning district by 200,000 square feet in return for increasing the allowable total residential development by 500 units. This housing, adjacent to Downtown, will provide an important source of housing for Downtown workers. The revision was based on a trip generation calculation that demonstrated the relative benefit of locating workers adjacent to potential job locations.
3. Chapter 21.63 of the Long Beach Municipal Code was recently amended to provide incentives to encourage the development of housing for very low income, low income and senior citizen ownership and rental households, as well as moderate income condominium owners, through the award of density bonuses and waiver of certain development standards under specific circumstances.

The density bonus portion of the amendment to chapter 21.63 provides the bonus in exchange for guarantees that the units will be maintained as affordable housing for the noted population for at least thirty (30) years. The guarantee must be in the form of a recorded deed restriction. The amount of the density bonus cannot exceed the maximum percentage permitted by the State of California.

In addition to the density bonus, the amendment provides for a waiver of parks and recreation facilities impact fees (currently \$4,221 per single family unit and \$3,260 per multi family unit) and transportation developer fees (currently \$1,125 per unit) for these affordable housing units.

The amendment also provides for the waiver of a number of development standards if the developer can demonstrate that the increased density allowed cannot physically be accommodated on the site under basic standards. The waiver involves a priority order of standards that may be waived; the developer must demonstrate that the increased density cannot be accommodated with each sequential waiver before the waiver of the next standard is allowed.

The priority order of waiver is as follows:

1. Percentage compact parking
2. Tandem parking design limitations
3. Privacy standards
4. Private open space
5. Common open space
6. Height
7. Distance between buildings
8. Side yard setbacks
9. Rear yard setbacks
10. Number of parking spaces (but not less than one space per unit)
11. Front setbacks

These waiver areas form an important source of potential flexibility in the review of plans for affordable housing, and positively impact the chances of a given affordable housing project being approved and built.

Finally, if the developer of an affordable project believes that the project is still not financial feasible, even with the density bonus and waiver of the standards required to make the project physically feasible, then the amendment allows the developer to submit a project pro forma demonstrating the deficiency, including the costs of complying with each of the listed standards. Additional standards may then be sequentially waived until financial project feasibility is achieved.

The amended Chapter 21.63 has already contributed to the feasibility of a number of affordable Long Beach housing projects and will continue to be an important resource in future project feasibility, design, and construction.

On June 1, 2005, the City Council adopted a Housing Action Plan for FY 05-09 to serve as the framework for the allocation of the City's scarce affordable housing resources according to the income (very low, low, moderate) and tenure (owner/renter) of the target population. Targeted funds include HOME and Redevelopment Housing Set-Aside funds. The Plan aims to maximize investment towards providing quality affordable housing to as many Long Beach residents as possible, with a clear and pronounced effect in revitalizing and stabilizing Long Beach neighborhoods. In its initial five years of implementation, the HAP will focus efforts in three specific neighborhoods in the City to strengthen and make a visible difference in these neighborhoods.

The City will continue to implement programs that foster and maintain affordable housing. Residential rehabilitation assistance will again be provided to lower-income homeowners to preserve housing affordability. During the FY 09 program year, HOME will provide assistance to multi-family units and single-family units with rehabilitation loans. All of the projects will focus on improving living conditions and correcting code violations, while the multi-unit projects will also maintain affordable rents.

HOME funds will be made available to continue the Security and Utility Deposit

Program to assist homeless families who are able to sustain permanent housing, but are unable to save the funds necessary to initially secure the housing. This program is the result of a collaboration between the Human and Social Services Bureau of the Department of Health and Human Services (DHHS) and the Neighborhood Services Bureau to create a program that creates affordable rental housing opportunities for formerly homeless households. The HOME Security and Utility Deposit Program brings together federal HOME funding and an efficient participant qualification process developed for the Tenant-Based Rental Assistance (TBRA) program by the Rehabilitation Division of the Neighborhood Services Bureau, with homeless applicant intake, processing and monitoring by staff from the Department of Health and Human Services. Homeless individuals and families are assisted in securing stable, long-term housing through this collaborative effort. HOME funds are used to fund security deposits, first and last month's rent, and utility deposits (up to a maximum total equivalent of two months rent) to enable these formerly homeless renters, who have income sufficient to pay rent but cannot afford "up front costs," to secure a decent place to live.

The City will continue to offer first-time homebuyer classes in English on a monthly basis, as well as classes in Spanish on a quarterly basis. In addition, the City also offers a quarterly post-homeownership class to assist residents in sustaining their successful ownership.

Under federal regulations, a minimum of 15% of HOME funding must be allocated to Community Housing Development Organizations (CHDOs) for housing development activities. CHDO organizations are non-profit, community-based service organizations that have obtained or intend to obtain staff with the capacity to develop or rehabilitate affordable housing for the community served. Since the inception of HOME in 1992, the City has worked with sixteen qualified CHDOs:

- Clifford Beers Housing Inc.
- Community Corporation of Santa Monica (CCSM)
- Comprehensive Child Development Inc.
- Decro Alpha Corporation
- Decro Gamma Corporation
- Decro Epsilon Corporation
- Federation of Filipino American Associations, Incorporated
- Friends of Central Avenue
- Habitat for Humanity South Bay/Long Beach
- Home Ownership for Personal Empowerment
- JABEZ Foundation, Inc.
- Joshua One Community Development Corporation
- Long Beach Affordable Housing Coalition
- Mental Health Association
- Shelter for the Homeless
- United Cambodian Community, Inc.

## **HOME/AMERICAN DREAM DOWN PAYMENT INITIATIVE (ADDI)**

### **Forms of Investment**

No forms of investment will be utilized beyond those described in 92.205(b).

### **HOME Match Provision**

The City incurs a matching obligation for HOME funds it expends, except for those associated with: FY 92 HOME funds; HOME administrative and planning funds; CHDO operating expenses; CHDO capacity-building funds; and CHDO site control, technical assistance, and seed money loans for projects that do not go forward.

The City intends to use Redevelopment Set-Aside expenditures as match for FY 09 HOME funds. We have used such expenditures as match for the past several years. Set-Aside revenues from the RDA for FY 09 are currently estimated at \$20,000,000. This amount is well in excess of any anticipated match requirements.

### **Proposed CHDO Expenditures**

CHDO expenditures are reflected in Project 11 of this Action Plan. The amount anticipated to be expended meets or exceeds the 15% CHDO requirement.

### **Homebuyer Activities – Resale/Recapture Options**

The City of Long Beach intends to use HOME and ADDI funds to assist first-time homebuyers in purchasing a home. To ensure long-term affordability, the City will impose either a recapture or resale provision, which will allow the City to recycle funds to assist future homebuyers. The City may require additional restrictions, including first-time homebuyer qualifications and affordability requirements, which may be more restrictive than current HOME Program regulations. Examples of current requirements include the following:

- Total household income cannot exceed low-income limits
- Must occupy property as the principal residence
- Required to comply with recapture/resale provisions during the affordability period

Additional City Restrictions:

- Must purchase a home within the City of Long Beach
- Required to be a first-time homebuyer
- Complete an approved pre-purchase Homebuyer Workshop
- Must currently live or work in the City of Long Beach to apply for assistance

Recapture Option:

The City of Long Beach will recapture all or a share of the direct HOME or ADDI subsidy if the HOME Program recipient decides to sell the house within the affordability period. If the affordability period has not expired, the City may forgive a prorated share of the HOME subsidy based upon the amount of the time the homeowner occupied the unit during the affordability period.

Resale Option:

The resale option ensures that the HOME-assisted unit will remain affordable over the entire affordability term. The City will designate the HOME assisted unit and require affordability. The City will allow the homeowner to sell the affordable unit to another low-income family at an affordable rate.

Enforcement of the Recapture or Resale Options:

To enforce the recapture restrictions, the City will record an Agreement and a Deed of Trust against the property. This Agreement will ensure that the full HOME subsidy will be recaptured from the net proceeds of the sale. Where the net proceeds are insufficient to repay both the Home subsidy plus the homeowner's investment, the City will forgive a prorated share of the Home subsidy based on occupancy during the affordable period. In such case, the homeowner will not be permitted to recover more than the homeowner's investment. To enforce the resale/recapture options, the City will also place a mortgage lien on the property, which will ensure the affordability period is met.

**Refinancing with Rehabilitation Guidelines**

Under certain circumstances, the HOME Investment Partnership Program allows the use of HOME funds for refinancing; However, HUD regulations at 24 CFR 92.206(b) require that "Refinancing Guidelines" be included in the local participating jurisdiction's Consolidated Plan. Subject to certain HUD requirements, the local participating jurisdiction designs its own "Refinancing Guidelines" and includes these guidelines in the Consolidated Plan for public input and HUD review/approval.

The HOME regulations at 24 CFR 92.206(b) allow HOME funds to pay the cost to refinance existing debt secured by housing that is being rehabilitated with HOME funds:

1. For single-family (1 to 4 unit) owner-occupied housing when lending HOME funds to rehabilitate the housing, if the refinancing is necessary to reduce the overall housing costs to the borrower and make the housing more affordable; and

2. For multi-family projects when lending HOME funds to rehabilitate the units, if refinancing is necessary to permit or continue affordability under 24 CFR 92252. The Participating Jurisdiction (PJ) must establish refinancing guidelines and state them in its Consolidated Plan.

It is the City's understanding, via oral confirmation from HUD Los Angeles Area Office staff, that HUD's intent in the above-stated 24 CFR 92.206 (b) reference to "the cost to refinance existing debt" is not simply to use HOME funds to pay for the lender's costs and fees associated with a refinancing, but also to pay for the refunding in replacing the existing debt with new debt.

The following adopted "Refinancing Guidelines" describe the conditions under which the City of Long Beach will use HOME funds in any project proposing to refinance existing debt on a multi-family housing property.

1. May not be used for single-family housing. *Although HUD HOME regulations allow HOME funds for refinancing in connection with "single family (one to four units) housing", the City of Long Beach Refinancing Guidelines stipulate that HOME funds to refinance may only be allowed in connection with multi-family housing projects; refinancing may not be allowed with single-family housing. HUD defines "single-family housing" as one to four units, including one owner-occupied unit.*
2. HOME funds cannot be used to refinance multifamily loans made or insured by any federal program, including CDBG. *This is a HOME regulations requirement at 24 CFR 92.206(b)(2)(vi).*
3. HOME funds may not be used to refinance properties that previously received home funding unless the affordability period has expired. *This is a HOME regulations requirement. 92 CFR 92.214(a)(7) states that HOME funds may not be used to provide HOME assistance (beyond one year after project completion) to a project previously assisted with HOME funds during the period of affordability established in the original written agreement.*
4. Use of HOME funds for refinancing will only be allowed in multi-family projects, which are proposed to be rehabilitated with HOME funds. *This is a HOME regulations requirement. 24 CFR 92.206(b) states that HOME funds may be used to pay "the cost to refinance existing debt secured by housing that is being rehabilitated with HOME funds" (emphasis added).*
5. The refinancing must be necessary to permit or continue affordability *under HOME regulations at 24 CFR 92.252 ("Qualification As Affordable Housing: Rental Housing")*. *The purpose of the refinancing must be to maintain current affordability and/or create additional affordable units. This is a HOME regulations requirement at 24 CFR 92.206(b)(2).*

6. The new investment of HOME funds for refinancing can be made either to maintain current affordable units or to create additional affordable units. *Levels of affordability will be, at a minimum, those required by the HOME Program regulations. This guideline is a HOME regulations requirement at 24 CFR 92.206(b)(2)(iii). The Guidelines must "state whether the new investment is being made to maintain current affordable units, create additional affordable units, or both."*

*For those projects which currently have affordable (non HOME-funded) deed-restricted units and which may seek to use HOME Program "Refinancing With Rehabilitation," the requirement to "maintain current affordable units or create additional affordable units" may also be met by increasing the project's current affordability level. For example, an increased affordability level may be achieved by:*

- *lowering the existing rent restrictions;*
- *increasing the number of affordable/restricted units;*
- *extending the term of existing affordability restrictions; or*
- *a combination thereof.*

*The level of additional affordability (if any) will be determined in the context of overall financial feasibility of each financing.*

7. Regardless of the amount of HOME funds invested, the minimum affordability period shall be at least 15 years. This is a HOME regulations requirement at 24 CFR 92.206(b)(2) and 24 CFR 92.206(b)(2)(iv). *The actual affordability period will be the subject of negotiation on each project.*
8. The investment of HOME funds for refinancing will be allowed jurisdiction-wide. Eligible properties must be located in the City of Long Beach. This is a HOME regulations requirement at 24 CFR 92.206(b)(2)(v), which requires the guidelines to specify whether the investment of HOME funds, for refinancing, will be jurisdiction-wide or limited to a specific geographic area, such as a neighborhood identified in a neighborhood revitalization strategy.
9. Whenever HOME funds are used for refinancing, the City of Long Beach staff will require a review of management practices to determine that:
- *"Disinvestment" in the property has not occurred. HUD regulations do not define "disinvestment." Within these Guidelines, the term "disinvestment" shall mean an intentional and avoidable reduction in capital investment, which results in a failure to either construct, maintain or replace capital assets [i.e., buildings, equipment, furnishings, fixtures, property infrastructure, etc] in accordance with the HUD minimum property standards enumerated at 24 CFR 92.251, and as determined by the City of Long Beach staff;*

- The long-term needs of the project can be met; and
- The feasibility of serving the targeted population over an extended affordability period can be demonstrated.

*This is a HOME regulations requirement at 24 CFR 92.206(b)(2)(ii). The City of Long Beach staff will either conduct this review of management practices, or select a consultant (costs to be borne by the owner) to conduct such a review.*

10. In any project using HOME funds for "Refinancing With Rehabilitation" the owner(s) would not be allowed to take cash out of the refinancing. *However, a reasonable developer fee (which shall be subject to negotiation) for a project would be considered a project expense and would not be considered to be taking cash out of the refinancing. HOME regulations do not allow owners to withdraw cash from the refinancing; 24 CFR 92.205(d) states that only the actual HOME eligible development costs (i.e. costs eligible under 92.206(a), (b), or (c)) of the assisted units may be charged to the HOME program. Neither Sections 92.206(a) or (b) or (c) authorize the retention of refinanced HOME funds by the owner.*
11. The minimum amount of HOME funds that can be invested in a project is \$1,000 times the number of HOME-assisted units in the project. *This is a HOME regulations requirement.*
12. Projects seeking to use HOME funds for "Refinancing With Rehabilitation" must be in compliance with all regulations for the HOME Investment Partnership Program at 24 CFR 92.
13. There will be a minimum "required ratio" between rehabilitation and refinancing as follows: within a proposed project up to 85% of the project's HOME funds may be used for refinancing and at least 15% of the project's HOME funds must be used for rehabilitation. *The HOME regulations require, at 24 CFR 92.206(b)(2)(i), that whenever HOME funds are used for refinancing, the rehabilitation must be the "primary eligible activity" and that this "primary eligible activity" requirement is met either by establishing a minimum level of rehabilitation per unit or by establishing a "required ratio" between rehabilitation and refinancing. HUD HOME regulations do not specify the amount of this "required ratio" and allow the participating jurisdiction to propose the "required ratio." Staff will determine the ratio based on the amount of HOME funds invested, leverage of HOME funds, and financial feasibility.*
14. Under these Guidelines, the property proposing to use HOME for refinancing may only be owned by non-profit owners or by public entities including the Long Beach Housing Development Company. *However, there is a prohibition on ownership interests which are contrary to the HUD conflict of interest*

*prohibitions at 24 CFR 92.356 [HOME "Conflict of Interest"], or 24 CFR 8536 ["Procurement"], or 24 CFR 8442 ["Codes of Conduct"].*

*HUD HOME regulations do not limit property ownership in connection with refinancing. However, under these Guidelines, in order to encourage housing activity by non-profits, the City of Long Beach has decided to exclude for-profit owners from using HOME funds for "Refinancing With Rehabilitation" and give priority to non-profits which are designated as Community Housing Development Organizations (CHDOs).*

15. *Loan Terms: These "Refinancing With Rehabilitation Guidelines" are intended to be used in conjunction with other existing HOME-funded programs previously approved by the City of Long Beach ("other City of Long Beach existing HOME programs"). City of Long Beach staff will superimpose these Guidelines onto the "other City of Long Beach existing HOME programs." To the extent that these Guidelines may be inconsistent with the requirements of the "other City of Long Beach existing HOME programs," the more restrictive requirements will apply.*
16. *These "Refinancing with Rehabilitation Guidelines" are minimum guidelines for conformance with HUD minimum requirements, and they may be subject to further additional restrictions or limitations (including but not limited to funding availability) as determined by the City of Long Beach. These Guidelines serve to obtain HUD's approval of a general framework and create a potential alternative for the City of Long Beach. However, approval of these Guidelines does not create an obligation or requirement that the City of Long Beach will make loans utilizing Refinancing With Rehabilitation. The City of Long Beach is authorized to modify (after notification to HUD) these "Refinancing With Rehabilitation Guidelines" to the extent that any provisions in these "Refinancing With Rehabilitation Guidelines" may be inconsistent with the City of Long Beach current (or future) adopted policies.*

### **American Dream Down Payment Initiative (ADDI)**

The American Dream Down Payment Initiative Program (ADDI) is a grant (to cities) created by HUD to provide down payment assistance towards the purchase of single-family housing through loans, advances, deferred payment loans, grants, or other forms of assistance consistent with the ADDI requirements to qualified first-time homebuyers. The Program includes provisions for rehabilitation, which must be completed within one year of the purchase of the home when using ADDI funds.

The American Dream Down Payment Initiative Program can be used in conjunction with the local Public Housing Authority agency to target their Family Self Sufficiency (FSS) and their Section 8 Homebuyer Programs.

To ensure families are successful in purchasing and retaining their investment, ADDI requires that recipients of ADDI assistance successfully complete an eight hour First-Time Homebuyer Seminar. Applicants may also choose to attend an optional four-hour post-purchase seminar.

This program offers assistance of up to \$10,000 per household, or 6% of the purchase price, whichever is greater.

# HOMELESS NEEDS

## SPECIFIC OBJECTIVES

The City of Long Beach has identified one high priority for homeless needs that will be addressed in FY 09. This priority is listed below, along with the corresponding specific, measurable objectives. The specific objectives can be linked back to nationally recognized outcome statements using the codes provided.

### **Following a Continuum of Care (CoC) Model, Provide Supportive Services and Housing for Homeless and Persons at Risk of Becoming Homeless**

SL-1      Make accessible large-scale funding grants to non-profit organizations serving low/moderate income persons for the purpose of creating a suitable living environment.

**Total FY 09 Funding: \$200,000**

Funding Source	Activities Under This Specific Objective	Performance Indicators
CDBG	<ul style="list-style-type: none"> <li>• Social Service Grant Program</li> </ul>	<ul style="list-style-type: none"> <li>• Number of agencies assisted</li> </ul>
<b>FIVE-YEAR GOAL: 50</b>		<b>FY09 GOAL: 10</b>

SL-1      Make accessible supportive services to individuals and families that are homeless or at risk of becoming homeless through case management and counseling for the purpose of creating a suitable living environment.

**Total FY 09 Funding: \$20,000**

Funding Source	Activities Under This Specific Objective	Performance Indicators
CDBG	<ul style="list-style-type: none"> <li>• Multi-Service Center (MSC)</li> </ul>	<ul style="list-style-type: none"> <li>• Number of people to be assisted (duplicated)</li> </ul>
<b>FIVE-YEAR GOAL: N/A</b>		<b>FY09 GOAL: 4,475</b>

\* Note: FY09 Goal is based on the homeless population count conducted in 2005.

SL-1      Activities to maintain and operate emergency shelter activities (payment for shelter maintenance, operation, rent, security, fuel, equipment, insurance, utilities, food, and furnishings).

**Total FY 09 Funding: \$384,113**

Funding Source	Activities Under This Specific Objective	Performance Indicators
ESG	<ul style="list-style-type: none"> <li>• Emergency Shelter</li> <li>• Prevention</li> <li>• Maintenance and Operation of Homeless Facilities</li> </ul>	<ul style="list-style-type: none"> <li>• Number of clients that received residential services*</li> </ul>
<b>FIVE-YEAR GOAL: N/A</b>		<b>FY09 GOAL: 4,475</b>

\* Note: FY09 Goal is based on the homeless population count conducted in 2005.

## SPECIFIC HOMELESS PREVENTION ELEMENTS

### Sources of Funds and ESG Match

The City of Long Beach contracts with non-profit agencies to improve the quality and number of emergency homeless shelters by funding emergency shelter and homeless prevention projects. The funded agencies must provide 100% match as stated in the Request for Proposals. The match source can be either in kind or cash match, and must match 100% of the amount requested with an equal amount of funds from in kind or cash sources other than ESG program or McKinney Vento funding. Funds used to match a previous ESG/CDBG grant may not be used to match a subsequent grant. Also, detailed match documentation must be submitted during the invoice process.

These funds, which are described in greater detail in the General section of this Action Plan, are targeted to alleviate homelessness in the City of Long Beach.

### Homelessness

For over nineteen years, the City of Long Beach has been committed to shaping a comprehensive and coordinated system of care to respond to the diverse needs of homeless individuals and families at risk of becoming homeless. In an on-going collaborative effort of local agencies, City leaders, community groups, and public and private resources, the City continues to expand services to homeless populations and works to provide for a seamless delivery system that addresses all the fundamental needs of the homeless population. Through the City's Consolidated Planning process and the "Continuum of Care" (CoC) delivery system, the City and social service providers strive to create a balance of emergency, transitional, and permanent housing and supportive services to assist homeless families and individuals, empowering them to make the critical transition from housing crisis to self-sufficiency and stable permanent housing.

The Long Beach Continuum of Care delivery system is comprised of several components:

1. **Homeless Prevention** - Homeless prevention is supported by Emergency Shelter Grant funds, a portion of which are used for eviction prevention. In addition the HOME funded program is utilized to assist families with move-in deposits for permanent housing units. Between 2005 and 2007, more than 130 families have been assisted by these funds, and were able to obtain and maintain permanent housing stability. The City Council directed the Long Beach Housing Authority to set aside 20 Section 8 vouchers annually for homeless families, disabled individuals, and seniors. This program was integral in placing homeless families with low earning potential into permanent housing. This would not otherwise have been possible given significant increases in the real estate market which

adversely impacting availability and affordability of housing in Long Beach. The Section 8 program has since been significantly reduced by the Federal government, presenting further challenges in placing low income households into long term, permanent housing stability.

2. **Outreach and Assessment** - Outreach workers go out into the community to assess the needs of homeless persons living on the streets and assist them in entering a system that will help them to exit the streets. The outreach workers are a part of the Multi-Service Center (MSC) outreach team. During the outreach component, homeless persons become familiar with social service agencies and providers and the services they offer.

Clients are connected to the MSC “case management triage system” for initial assessment to determine specifically which types of services they will require. A case plan for the client is developed and the client is assisted in accessing appropriate programs and services.

3. **Immediate Shelter (Emergency Shelter)** - Clients are placed into short-term emergency shelter to allow the client to become stable and to access “next steps” to becoming permanently housed and self-sufficient.
4. **Transitional Housing with Supportive Services** - This component involves individuals and families who move from the streets into shelters. This process begins after other initial stabilizing services have been utilized. Specific shelter needs are assessed during the development of the individual case plan, with assistance ranging from emergency shelter to transitional housing, permanent supportive housing, or help in maintaining occupancy in current housing. The Villages at Cabrillo, a Public Housing project operated by the County of Los Angeles and located in Long Beach, provides a unique setting and opportunity for homeless individuals and families to begin transition back into society through a carefully planned community network of services and agencies. All clients are placed into permanent supportive housing, as quickly as possible, and supportive services are readily available as clients learn the skills necessary for independent living.
5. **Permanent Housing** - As individuals and families are stabilized in permanent housing, supportive services are decreased over time until they are no longer needed. Individuals and families can always return to MSC for supportive services at any time. The goal is to help prevent the downward cycle of homelessness from occurring again in the future.

Wide arrays of supportive services are provided through each step of the Continuum of Care (CoC) delivery system to help all sub-populations of homeless individuals and families receive the assistance they need.

As result of the Continuum of Care process, the City has defined its vision as follows: Every resident of Long Beach will be able to access adequate housing, food, and medical services. Reaching this goal remains the focus of the Continuum of Care system. Throughout the year, various groups involved in the Continuum of Care planning process assess areas of need and set priority areas and goals.

Areas of concentration during FY 09 include:

- Developing a 10-year strategic plan to address homelessness in Long Beach;
- Continuing to strengthen street outreach to homeless residents and in response to the broader community concerns;
- Developing affordable permanent housing options;
- Shortening length of stay, thus increasing numbers served within transitional housing programs;
- Continuing to streamline service referrals within the Continuum of Care system;
- Exploring the establishment of a low-demand, high-tolerance drop-in center;

- Continuing to build relationships with neighborhood and business associations and faith based partners while increasing awareness regarding homelessness through these linkages;
- Supporting the Multi-Service Center for the Homeless; and
- Working in conjunction with the City's Housing Services Bureau to develop avenues to expand housing resources and thereby increasing the number of affordable housing units in Long Beach.

### **Chronic Homelessness**

The City completed a citywide homeless count in 2003, 2005 and 2007 and an in-depth assessment in 2004, which found that 12% of the annualized homeless population experienced chronic homelessness based on the HUD definition. The 2007 point-in-time count indicated that 40% of the clients counted fit the description of chronically homeless. From the information captured through the homeless assessment, the City's CoC system has refocused its efforts to address the high number of chronically homeless found in Long Beach. The service providers in the City's CoC system share the vision of ending chronic homelessness in Long Beach.

The Continuum of Care agencies will continue to improve client-centered, culturally competent activities and the "no wrong door" and "no fail" approach. The "no wrong door" policy will assist clients in entering the Continuum of Care system through any agency, while simultaneously looking at ways to prevent chronically homeless clients from cycling back onto the streets. The core philosophy to the "no wrong door" policy is assessing and addressing the immediate needs of the person, which include food, clothing, and shelter. The following list is the core of the Continuum of Care delivery system for chronically homeless services:

- Service-enriched permanent housing;
- Substance abuse and mental health treatment;
- Primary health care, homeless veteran services; and
- In-home case management services with enhanced supportive services.

Due to the chronically homeless persons' previous negative experiences with multiple systems of care, the Long Beach Continuum of Care is based on immediate access to comprehensive services either through the Multi-Service Center, or through the multi-disciplinary outreach network team, which brings needed resources to clients where they reside. Streets, parks, encampments, and alleys are where most of the chronically homeless reside; street outreach programs are the critical link between the chronically homeless and comprehensive services.

In FY 09, the MSC agencies will continue to coordinate the multi-disciplinary outreach network (comprised of outreach case managers, police officers, mental health advocates, substance abuse case managers, veterans case managers,

and mental health clinicians). This outreach network provides services to clients where they reside, ranging from: intake, assessment and treatment planning, health assessments (physical and mental), minor wound treatment and medical screenings, referrals into mainstream programs, assistance navigating the medical and mental health systems, and housing placement. To facilitate immediate access to services, transportation from one service provider to another will be provided to the homeless clients. The Multi-Service Center, Mental Health America (MHA-The Village) and U.S. Vets all operate daily shuttle services, while other service providers distribute bus tokens and bus passes and assist disabled clients to obtain bus passes and shuttle services through mainstream resources.

Another component of the Continuum of Care system addressing chronic homelessness is the integrated database tracking system, or the Homeless Management Information Systems (HMIS). The HMIS has increased access to resources, streamlined client information gathering, and has eliminated service duplication. The case manager is able to access information such as service history, information about eligibility for services, what services s/he received, and rely on consistency of information relevant to the client. The information has allowed for appropriate referrals, flexible changes in the level of service, and the elimination of duplicate efforts of service providers to assist the client. The HMIS also supplies data on demographics, service delivery, program effectiveness, resource/service gaps, service utilization, and the overall continuum efficiency and effectiveness in achieving positive housing and service outcomes. By refocusing service efforts to address the special needs of the chronically homeless, the Continuum of Care system will be able to track progress on the number of chronically homeless placed and maintained in permanent housing.

### **Homelessness Prevention**

The City will continue to provide CDBG, ESG, and HOME funding support during FY 09 to City and County social service agencies, nonprofit organizations, and other supportive service institutions that provide homeless assistance, emergency shelter, transitional shelter, supportive housing, outreach/assessment and job search and placement services to homeless Long Beach families and at-risk populations.

### **Assisting the Transition to Permanent Housing**

The City will continue to carry out all activities related to the Emergency Shelter Grants Program (ESG) and other transition services identified in the City's Continuum of Care. Under this program the City will fund local public and private agencies during FY 09 with ESG funds and other available resources, including the use of the City's social service fund dollars to satisfy the ESG matching requirement. The City will also continue to advocate for the availability of State and County resources and to effectively use those resources to assist homeless individuals and families. The City will seek out and aggressively pursue, as

appropriate, grant opportunities for homeless assistance funds from applicable federal, state, and local authorities; and assist and endorse such applications submitted by other entities. The focus will be on identifying additional resources to assist homeless persons and families, especially resources aimed at providing affordable permanent housing for homeless and special needs persons and families.

Transitional housing programs managed by nonprofit agencies are designed to prepare homeless persons and families for relocation into permanent housing. These programs monitor persons for a temporary period of time after moving into permanent housing to assess progress, identify, and address potential problems. An important aspect of the transition process is the access that families and individuals always have to services, programs, and assistance necessary to address any difficulties experienced in maintaining permanent housing.

A number of existing programs that provide employment, supportive services, and related assistance to the Continuum of Care System are identified in the Strategic Plan and Anti-Poverty Strategy of the 2005 - 2010 Consolidated Plan. Local homeless service providers are already highly familiar with these public and private local resources and use them extensively in their efforts to transition homeless persons into permanent housing and community self-sufficiency. The City will continue to provide a comprehensive coordinating function as well as provide resources for all aspects of the Continuum of Care System.

The City's Career Transition Center and the Center for Working Families both provide an array of vocational counseling services, on-the-job training and job placement services. These Centers' resources are focused on preventing homelessness and providing opportunities for economic self-sufficiency necessary to maintain permanent housing. They are important tools utilized as part of the City's Continuum of Care.

### **Discharge Coordination Policy**

The City of Long Beach Continuum of Care (CoC) continues to develop, refine, and implement strategies for a comprehensive discharge planning practices citywide. Policy development has been inclusive of community agencies that are specifically prepared to address the needs of the homeless chronically mentally ill, persons with substance abuse problems, and emancipated youth. The Homeless Services Officer is the primary point of contact for service provision within the city and oversees the daily operations of outreach workers and case managers from various agencies, including but not limited to the City's Multi-Service Center (MSC) and 12 co-located collaborative agencies. The comprehensive outreach team is proactive in developing relationships with local area providers who come in contact with homeless populations being released from local jails, hospitals, and the foster care system, in order to facilitate planning for housing placement and therefore preventing homelessness for that individual.

The three major health care facilities that provide medical and mental health care for a significant number of homeless persons in the City of Long Beach are St. Mary's Medical Center, Long Beach Memorial Hospital, and the Veteran's Affairs Medical Center. These institutions, and several smaller medical and mental health facilities that also serve the homeless in Long Beach, have been informed of proactive planning options available to prevent an individual from being discharged into homelessness. A referral mechanism has been formalized and provided to the medical/mental health centers located within the Long Beach Continuum of Care. The referral protocol from these facilities to the MSC has been reviewed by hospital personnel and agreed upon via a Memorandum of Understanding (MOU), which strives to ensure the continuity of discharge planning, so that homelessness can be addressed prior to discharge. In addition, the outreach network has distributed "Pocket Resource Guides" to emergency rooms, medical social workers, and discharge planners at these facilities to educate them as to the services available in a triage situation. The MSC Coordinator provides ongoing training to facility staff regarding homeless and other services available citywide. Optimally, this relationship has been established so that discharge-planning personnel will link patients to the appropriate level of transitional care prior to seeking services from the local homeless continuum.

Mental Health America (MHA), a nonprofit service provider in the City of Long Beach, operates a comprehensive system of care for severely mentally ill individuals, who are homeless, recently released from jail, and at serious risk of recidivistic incarceration or institutionalization. The critical component is the role of the local system navigator, which provides the initial referral for identification and discharge planning coordination between MHA and the Los Angeles County or Long Beach City Jail. This process has allowed MHA's outreach team to go into the jails to identify potential participants and begin the "engagement process."

For example, in the Los Angeles County Jail-Twin Towers facility, where inmates with mental health problems are incarcerated, the process is initiated when the jail's mental health workers identify individuals who have mental health issues and are homeless from the City of Long Beach. MHA staff is then notified of the pending release of an eligible, previously identified inmate and work with the Inmate Reception Center to coordinate the client's release, so MHA staff can pick up the individual and connect them to emergency housing and services. The Long Beach City Jail is a similar outreach location for MHA's team and Jail personnel call the team prior to release of an individual who appears to need mental health services, so that assessment and referrals to supportive services and housing can be achieved.

Moreover, Mental Health America also serves "transitional age youth," who are mentally ill young-adults between 18 and 24, many of whom have "aged out" of the foster care system. In serving these individuals, MHA works with the foster care and Children and Family Service systems. The needs of this population are a growing emphasis in Long Beach, with the Casey Family Programs

spearheading the development of coordination systems. These services include wraparound programs where housing, case management, and educational and vocational training are available in order to prevent youth from experiencing barriers to self sufficiency related to homelessness.

The discharge planning and processes of physical/mental health care facilities, foster care/youth facilities, and jails will continue to be refined, with the full intent of improving the existing policies and procedures, training facility staff on appropriate discharge planning resources and levels of housing needed to prevent homelessness and recidivism to inpatient care.

## COMMUNITY DEVELOPMENT NEEDS

### ELIGIBLE NEEDS

PRIORITY COMMUNITY DEVELOPMENT NEEDS	Priority Need Level: High, Medium, Low, No Such Need	Goals
<b>PUBLIC FACILITY NEEDS (Projects)</b>

<sup>1</sup> Commercial or Industrial Improvements by Grantee or Non-Profit

**SPECIFIC OBJECTIVES**

The City of Long Beach has identified three high-priority priorities for community development needs that will be addressed in FY 09. These priorities are listed below along with the specific/ measurable objectives that correspond to each. The specific objectives can be linked back to nationally recognized outcome statements using the codes provided.

**Retain, Expand and Attract Business by Encouraging Development Centered on Small Businesses and Job Creation (High Priority)**

EO-1 The City of Long Beach will provide capital and services for the attraction, creation, and expansion of businesses, concentrating on low-moderate income areas, especially the creation of low-moderate income jobs. The City will focus services on small businesses, utilizing bilingual workers to outreach and furnish information about business development and loan programs.

**Total FY 09 CDBG Funding: \$426,000**

Funding Source	Activities Under This Specific Objective	Performance Indicators
CDBG	<ul style="list-style-type: none"> <li>• Economic Development Loan for Jobs Program</li> <li>• Micro-enterprise Loan Program</li> <li>• Loan Program for Area Benefit</li> <li>• Hire-a-Youth</li> <li>• Grow Long Beach – Revolving Loan Program</li> </ul>	<ul style="list-style-type: none"> <li>• Number of jobs for low- or moderate-income persons</li> </ul>

**FIVE-YEAR GOAL: 121**

**FY09 GOAL: 24**

EO-2 The City of Long Beach will provide capital and services for the attraction, creation, and expansion of businesses, concentrating on low-moderate income areas, especially the creation of low-moderate income jobs. The City will focus services on small businesses, utilizing bilingual workers to outreach and furnish information about business development and loan programs. Activities will develop neighborhood-serving businesses located in low/moderate areas.

**Total FY 09 CDBG Funding: \$1,982,000**

Funding Source	Activities Under This Specific Objective	Performance Indicators
CDBG	<ul style="list-style-type: none"> <li>• Neighborhood Business Investment</li> <li>• Store Front Improvement</li> <li>• Business Revitalization/ Beautification</li> <li>• Small Business Outreach</li> <li>• Enterprise Zone Program</li> </ul>	<ul style="list-style-type: none"> <li>• Number of businesses assisted</li> </ul>

**FIVE-YEAR GOAL: 2,350**

**FY09 GOAL: 470**

**Improve and Provide Public Community Facilities, and Make Necessary Infrastructure Improvements to Serve Low and Moderate Income Persons with Special Needs (High Priority)**

SL-1 The City of Long Beach will provide facility improvements to nonprofit organizations serving low/moderate income persons in order to improve the availability of a suitable living environment.

**Total FY 09 CDBG Funding: \$570,000**

Funding Source	Activities Under This Specific Objective	Performance Indicators
CDBG	<ul style="list-style-type: none"> <li>Nonprofit Assistance Program</li> </ul>	<ul style="list-style-type: none"> <li>Number of nonprofit agency facilities improved</li> </ul>

**FIVE-YEAR GOAL: 45**

**FY09 GOAL: 9**

SL-1 The City of Long Beach will improve the availability of a suitable living environment by providing neighborhood/community groups within the CDBG target zone with matching grants of up to \$5,000 in goods and services for community projects. The projects must have a public benefit and be supported by the organization's governing body, as well as the affected neighborhood. This program provides for the improvement and enhancement of facilities serving low/moderate income neighborhoods.

**Total FY 09 CDBG Funding: \$100,000**

Funding Source	Activities Under This Specific Objective	Performance Indicators
CDBG	<ul style="list-style-type: none"> <li>Neighborhood Partners Program</li> </ul>	<ul style="list-style-type: none"> <li>Number of public facilities improved</li> </ul>

**FIVE-YEAR GOAL: 50**

**FY09 GOAL: 10**

SL-1 The City of Long Beach will improve the availability of a suitable living environment through new park development. New park development is the creation of parks providing open and recreational space for low and moderate-income families and individuals in densely populated areas.

**Total FY 09 CDBG Funding: \$600,000**

Funding Source	Activities Under This Specific Objective	Performance Indicators
CDBG	<ul style="list-style-type: none"> <li>Open Space and Park Development</li> </ul>	<ul style="list-style-type: none"> <li>Number of public facilities improved</li> </ul>

**FIVE-YEAR GOAL: 10**

**FY09 GOAL: 2**

SL-3 The City of Long Beach will improve the sustainability of a suitable living environment through the Neighborhood Sidewalk Replacement Program, which trains youth to create sidewalks to improve and enhance low/moderate neighborhoods.

**Total FY 09 CDBG Funding: \$25,000**

Funding Source	Activities Under This Specific Objective	Performance Indicators
CDBG	<ul style="list-style-type: none"> <li>Neighborhood Sidewalk Replacement Program</li> </ul>	<ul style="list-style-type: none"> <li>Public facilities improved (square feet of sidewalk)</li> </ul>

**FIVE-YEAR GOAL: 2,500**

**FY09 GOAL: 500**

SL-3 The City of Long Beach will improve the sustainability of a suitable living environment through the Sidewalk Replacement Program, which replaces sidewalks to improve and enhance low/moderate-income neighborhoods and provides alley improvements in low/moderate-income areas.

**Total FY 09 CDBG Funding: \$700,000**

Funding Source	Activities Under This Specific Objective	Performance Indicators
CDBG	<ul style="list-style-type: none"> <li>Sidewalk Replacement</li> </ul>	<ul style="list-style-type: none"> <li>Public facilities improved (square feet of sidewalk)</li> </ul>
<b>FIVE-YEAR GOAL: 1,000,000</b>		<b>FY09 GOAL: 200,000</b>

SL-3 The City of Long Beach will improve the sustainability of a suitable living environment through the Urban Forestry Program, which utilizes neighborhood volunteers to plant and maintain trees along public parkways in target areas.

**Total FY 09 CDBG Funding: \$130,000**

Funding Source	Activities Under This Specific Objective	Performance Indicators
CDBG	<ul style="list-style-type: none"> <li>Urban Forestry Program</li> </ul>	<ul style="list-style-type: none"> <li>New trees planted</li> </ul>
<b>FIVE-YEAR GOAL: 1250</b>		<b>FY09 GOAL: 250</b>

**Provide Needed Public and Community Services for Low and Moderate Income Persons and Those with Special Needs (High Priority)**

SL-1 The City of Long Beach will improve the availability of a suitable living environment through Storefront Community Police Centers specifically addressing health, safety, and livability issues, thereby focusing resources to improve neighborhoods and develop community involvement.

**Total FY 09 CDBG Funding: \$210,000**

Funding Source	Activities Under This Specific Objective	Performance Indicators
CDBG	<ul style="list-style-type: none"> <li>Storefront Community Police Centers</li> </ul>	<ul style="list-style-type: none"> <li>Number of Community Police Centers</li> </ul>
<b>FIVE-YEAR GOAL: 4</b>		<b>FY09 GOAL: 4</b>

SL-1 The City of Long Beach will improve the availability of a suitable living environment by providing services to low/moderate-income neighborhoods or clientele through the Neighborhood Resource Center, specifically addressing health, safety, and livability issues and focusing resources to improve neighborhoods and develop community leadership. The Neighborhood Resource Center (NRC) provides administrative and technical training for organizations located within target zone. A community room and meeting space is also available for organizations.

**Total FY 09 CDBG Funding: \$130,000**

**FIVE-YEAR GOAL: 25,000**

**FY09 GOAL: 5,000**

SL-3 The City of Long Beach will improve and enhance services to low-moderate income neighborhoods through removal of graffiti from private and public properties in order to improve neighborhoods and discourage further graffiti. The program is offered at no cost to property owners or tenants in CDBG eligible areas. Free paint for graffiti removal is also offered through this program. Graffiti removal contractor crews respond to calls for service to paint out graffiti.

**Total FY 09 CDBG Funding: \$225,000**

<b>FIVE-YEAR GOAL: 12,000</b>		<b>FY09 GOAL: 2,400</b>

## ECONOMIC DEVELOPMENT

The City continues to make substantial investments in economic development. Investments include infrastructure improvements, support for new commercial and retail development, technical assistance for businesses, access to capital programs, commercial corridor revitalization, workforce development, and incentives for business retention, expansion, creation and attraction.

With completion of the Pike at Rainbow Harbor, new retail locations are providing significant employment opportunities for Long Beach residents. Construction is continuing in the Technology Park located in the City's Westside Industrial Area. Streetscape Improvements including medians, crosswalks curb ramps, sidewalks, security lighting, and landscaping are on-going or planned in numerous neighborhoods. Planning for a large sports park within the Central Area of the City is nearing completion.

Commercial corridor revitalization, a priority for the City, is ongoing in several major corridors. Components of the effort include the Business Revitalization Program which provides reimbursement of up to \$2,000 per business to commercial property owner and business owners on Fourth and Seventh Streets, Artesia Boulevard, Pacific Avenue and Pacific Coast Highway to improve the exterior of their businesses and ensure proper code standards. The Business Start-up Grant Program encourages new business ventures in low/moderate income neighborhoods by providing small grants to entrepreneurs. The City continues to deploy its aggressive workforce development program to provide training and placement of low/moderate income Long Beach residents.

The Economic Development Bureau plays a key role in the City's economic efforts. The Bureau provides an array of direct and technical assistance programs for both business retention and attraction. CDBG funds are used to assist private for-profit businesses with counseling, development, and expansion. Business loans are a key tool to create low/moderate income jobs and provide needed services to the City's low/moderate income neighborhoods.

The Business Development Center provides services to small and large businesses by supporting new start-ups and promoting growth of existing businesses to provide services and jobs to low/moderate income neighborhoods. Business Development Center services include:

- Neighborhood Business Investment \$2000 start-up grants
- Business start-up counseling
- Site location assistance
- Enterprise Zone Hiring Credit assistance
- Marketing or business plan preparation assistance and counseling
- Business loan information
- International trade opportunities
- Assistance with business operation, financing, and problems

The City has also partnered with the Long Beach Small Business Development Center, the SBA program offered through Long Beach City College, and is supporting the Long Beach International Trade Office, which provides assistance to firms engaging in international trade through the Port of Long Beach.

## **ANTIPOVERTY STRATEGY**

The City of Long Beach will provide resources to households living in poverty through a network of social and public service agencies and programs addressing poverty and its effects. These efforts may include, but are not limited to, the following:

### **Housing and Employment**

- No interest loans to non-profits and Community Housing Organizations to acquire and/or rehabilitate rental property for low-income tenants, 3% loans to low-income homeowners to rehabilitate owner occupied residential property, and no interest loans or grants to low-income homeowners to fund rehabilitation required by lead based paint regulations.
- Financial assistance to housing developers for construction of affordable rental housing for low-income residents and HUD funds for the administration of the construction of low-income housing projects (Scherer Park and Pacific Coast Villas).
- HUD housing subsidies and assistance for low-income households, chronically homeless disabled persons, and low income persons with AIDS/HIV.
- Rental assistance to low-income households (including assistance to tenants of HOME funded rehabilitated buildings, assistance required due to long Section 8 waiting lists, assistance to qualified homebuyers pending completion of home purchase process, assistance with security or utility deposits, and assistance to HUD Section 8 recipients to become self-sufficient).
- Community Development Block Grant (CDBG) funding to City social service agencies, nonprofit organizations, and other supportive service institutions that provide homeless assistance, emergency shelter, transitional shelter, supportive housing, outreach/assessment, and job search and placement services to homeless families, and at-risk populations.
- Job training and assistance in the construction industry through HUD Section 3 funding targeting employers who will hire local low-income residents.
- Services for low-income disadvantaged youth to prepare them for entry into the workforce (includes internship programs, job placement, Summer Job Fairs, Job Shadow programs, and training opportunities).

- Targeted employment preparation services to economically disadvantaged persons including the long-term unemployed or laid-off adults (includes counseling, job search tools, computer classes, volunteer opportunities, and employment preparation workshops), and assistance to individuals preparing for work in targeted high growth industries (includes training programs, certifications, pathways to apprenticeships, and job placement).

### **Health, Human and Social Issues**

- Supplemental nutritious foods and nutrition education to low-income pregnant and post-partum women, infants, and young children up to 5-years of age who are at nutritional risk. Services will be provided at six sites throughout the city through the citywide federally funded Women, Infants, and Children (WIC) Program.
- Assistance and education regarding nutrition, physical activity, and participation in USDA food assistance programs for food stamp eligible families through the California Nutrition Network for Healthy Active Families Program.
- Pediatric immunizations and adult and pediatric flu vaccine doses at low or no cost through the City's Immunization Program.
- Comprehensive family planning services for low-income men and women (including counseling, education, contraceptive supplies, laboratory testing, and follow up) through the City's Family Planning Clinic. The clinic is part of the State of California's Family Planning, Access, Care and Treatment Program (F-PACT).
- HIV/AIDS services (including testing, medical management, health education, risk reduction, consultation, psychosocial assessment, and case management) regardless of ability to pay and HIV medications free of charge or at a reduced rate depending on applicant eligibility through the AIDS Drug Assistance Program (ADAP).
- Risk reduction services, referral services, and health assessments/screenings (including blood sugar, blood pressure checks, physical exams including pelvic and prostate exams, and screenings by a podiatrist, an audiologist, and an ophthalmologist) for seniors through the Senior Health Clinic.
- Case management services and application assistance to help low-income families utilize and maintain free or low-cost health insurance coverage through an affiliated citywide outreach campaign offered through a community collaborative.

- Short-term case management services to stabilize Long Beach seniors in their homes through linkages to community resources (many free or low-cost) including delivered meals, in-home assistance, medical management, and social services.
- “Brown Bag” food distribution, homeowner and renter assistance, utility tax exemption and refunds, and FAME Taxi Vouchers/ Bus Tokens for low-income seniors and the disabled through the Department of Parks, Recreation, and Marine.
- A work experience program for seniors consisting of part-time work and on-the-job training available through a partnership between the City of Long Beach and Los Angeles County.

## SPECIAL NEEDS POPULATIONS

### SPECIFIC OBJECTIVES

The City of Long Beach has identified one high priority for special needs populations that will be addressed in FY 09. This priority is listed below along with a corresponding specific, measurable objective. The specific objective can be linked back to its nationally recognized outcome statement using the code provided.

#### Provide Housing and Supportive Services for Special Needs Populations (High Priority)

SL-1      The City of Long Beach will continue to support and make available funding priority for service-enriched housing and to organizations who serve special needs populations (childcare, after school programs, health programs, etc.) for the purpose of creating a suitable living environment.

**Total FY 09 Funding: \$770,000**

Funding Source	Activities Under This Specific Objective	Performance Indicators
CDBG	<ul style="list-style-type: none"> <li>• Social Service Grant Program</li> <li>• NAP Agencies</li> </ul>	<ul style="list-style-type: none"> <li>• Number of agencies who serve special needs populations</li> </ul>

**FIVE-YEAR GOAL: 95**

**FY09 GOAL: 19**

### HOUSING FOR PEOPLE WITH AIDS

This section does not apply to the City of Long Beach. The City does not receive HOPWA funding.

**APPENDIX**

**APPENDIX A: CITIZEN PARTICIPATION**

**Notice of Public Hearing**

**NOTICE OF PUBLIC HEARING**

**NOTICE OF PUBLIC HEARING:** On Wednesday, **March 19, 2008**, at **6:00 PM**, the City of Long Beach Community Development Advisory Commission (CDAC) will conduct a Public Hearing in the **City Council Chambers in City Hall at 333 West Ocean Boulevard, Long Beach**.

The purpose of the Public Hearing is to allow for public input on the preparation of the FY 2008-09 Action Plan that addresses the 2005-2010 **Consolidated Plan** priorities. The City of Long Beach annually receives money from the United States Department of Housing and Urban Development (HUD) to help improve our neighborhoods. The entitlement funds come from four funding sources: Community Development Block Grant (CDBG), Emergency Shelter Grant (ESG), Home Investment Partnership Act (HOME) and American Dream Downpayment Initiative (ADDI).

The City of Long Beach intends to provide reasonable accommodation for the Public Hearings in accordance with the Americans with Disability Act (ADA) of 1990. If special accommodations are required, please call Alem Hagos at (562) 570-7403, at least 48 hours prior to the March 19, 2008 Public Hearing. Citizens wishing to provide written comments must do so by March 17, 2008. Written comments must be addressed to Alem Hagos, Community Development Department, Neighborhood Services Bureau, 444 West Ocean Boulevard, Suite 1700, Long Beach California 90802.

## **AVISO DE AUDIENCIA PUBLICA**

**AVISO DE AUDIENCIA PUBLICA:** El día **Miércoles, Marzo 19, 2008 a las 6:00 PM** la Comisión Consultiva de Desarrollo Comunitario de la Ciudad de Long Beach (CDAC) conducirá una Audiencia Pública en las **Cámaras Municipales del Ayuntamiento en 333 West Ocean Boulevard, Long Beach.**

El propósito de la Audiencia Pública es para obtener los comentarios del público en la preparación del Plan de Acción del Año Fiscal 2008-09 que se dirige al tema de las prioridades del **Plan Consolidado 2005-2010**. La Ciudad de Long Beach recibe dinero anualmente del Departamento de Vivienda y Desarrollo Urbano de los Estados Unidos (con siglas en Inglés HUD) para ayudar a mejorar nuestros vecindarios. La autorización de los fondos proviene de cuatro fuentes de fondos: La Concesión General de Desarrollo Comunitario (CDBG), La Concesión para Albergues de Emergencia (ESG), El Acto de Asociación de Inversión de Hogar (HOME) y de la Iniciativa de Enganche para el Sueño Americano (ADDI).

La Ciudad de Long Beach tiene la intención de proveer acomodaciones razonables de acuerdo con el Acto de Americanos con Incapacidades de 1990. Si se requiere acomodaciones especiales, por favor contacte a Alem Hagos al (562) 570-7403, por lo menos 48 horas antes de la Audiencia Pública del 19 de Marzo, 2008. Los ciudadanos que deseen presentar sus comentarios por escrito, lo deben hacer para el 17 de Marzo, 2008. Los comentarios por escrito deben de ser enviados a: Alem Hagos, Community Development Department, Neighborhood Services Bureau, 444 West Ocean Boulevard, Suite 1700, Long Beach California 90802.

# THE WILLMORE CITY ENTERPRISE

THE NEWSLETTER OF THE WILLMORE CITY HERITAGE ASSOCIATION MAY 2008

## May Meeting

The May meeting will be held on Wednesday May 21st at the Willmore Community Police Center (910 Daisy Ave.) at 7:30 p.m. We have several items on the agenda: Trees , Megan's Law and Community Development's 2009 Action Plan. Jim Osgood from Neighborhood Services will be with us to talk about an upcoming tree planting in Willmore. Remember that list of trees we submitted for a grant several years ago? Well.....I think it has finally come through.

Also on the agenda will be PSS (Public Service Specialist) Lisa Massacani from Community Relations who will educate and update us on Megan's Law. California's Megan's Law provides the public with certain information on the whereabouts of sex offenders . There has been quite a lot in the news lately about this topic and the Long Beach City Council recently passed a new ordinance governing where convicted sex offenders may and may not live. Come hear the facts.

Alem Hagos from Community Development will discuss their 2009 Action Plan. Many of the programs, grants and services that have benefited the neighborhood are part of this Plan and the City needs our input in helping to establish funding priorities.

Reminder to all Code Enforcement Block Captains: A Code Enforcement meeting for all Block Captains will be held at 6:30 p.m. on May 21st.

## Memorial Day

Memorial Day first became an official American holiday in May 1868 and since that time has usually been celebrated with parades and marches. The picture below was sent to us by Anna Bates Hunter whose family lived at 249 Maine from 1906 until the 1970s. Their house is the "School House" that WCHA moved to 419 Daisy and is renovating. Anna and her sisters were kind enough to send us several pictures their father Fred Hunter had taken. Mr. Hunter had been a photographer for Shell Oil for many years. This picture was taken in 1941 and on the back it just says "Memorial Day 1941". No indication what street it is. Could it be Pine Avenue? Any guesses?

## INVITE YOU TO OUR MONTHLY NEIGHBORHOOD MEETING

- \* Learn about and give your input on the 2009 CDBG Action Plan
- \* Voice your concerns on issues affecting our community.
- \* Get involved with events and activities in your neighborhood.
- \* City Staff will be on hand to address your concerns and answer questions.

**Date: Thursday, June 12, 2008**  
**Time: 6:00 p.m. - 7:30 p.m.**  
**Location: Admiral Kidd Park**  
**2125 Santa Fe Ave.**  
**Corner of Santa Fe and Hill St.**

Sponsored by 7<sup>th</sup> City Council District Representative Tonia Reyes Uranga

City of Long Beach intends to provide reasonable accommodations in accordance with the American with Disabilities Act of 1990. If special accommodation is required or to request this information in an alternative format please contact Teresa Gonzalez at (562) 570-1146, 48 hours prior to the meeting.

### **March 19, 2008 Public Hearing Comments**

At the March 19, 2008 Public Hearing, a total of four speakers addressed one or more of two overarching issues. Most of the participants represented area nonprofit agencies that are engaged in delivering services to homeless persons and/or persons that are in danger of becoming homeless. Most spoke of the need to continue Community Development Block Grant (CDBG) and Emergency Shelter Grant (ESG) funds to their respective agencies.

Many of the agencies whose representatives and stakeholders spoke at the Public Hearing currently receive funds from CDBG and/or ESG. A range of programs supporting the activities of these various agencies is funded in this fiscal period, and the proposed FY 09 budget will maintain the current funding level.

## **Notice of Second Public Hearing and Document Availability**

**NOTICE OF PUBLIC HEARING:** On Wednesday, **June 18, 2008, at 6:00 pm**, the City of Long Beach Community Development Advisory Commission (CDAC) will conduct a Public Hearing in the **City Council Chambers in City Hall at 333 West Ocean Boulevard, Long Beach.**

The purpose of the Public Hearing will be to receive public comment on the 2008 – 2009 Action Plan (Action Plan), the fourth annual implementation plan under the five-year 2005 – 2010 Consolidated Plan (***Consolidated Plan***). The Consolidated Plan describes and prioritizes the housing and community development needs, as well as activities to address those needs as defined and funded by U.S. Department of Housing and Urban Development (HUD). As required by HUD, the Consolidated Plan brings together, in one consolidated submission, the planning and application aspects of the Community Development Block Grant (CDBG), Emergency Shelter Grant (ESG), HOME Investment Partnership Program (HOME) and American Dream Down Payment Initiative (ADDI) funds to address those priorities.

Draft copies of the Action Plan are located at the Main Library, **101 Pacific Avenue**, The Neighborhood Resource Center, **425 Atlantic Avenue**, or can be downloaded from the Neighborhood Services WebPages:

[www.longbeach.gov/cd/neighborhood\\_services/reports/default.asp](http://www.longbeach.gov/cd/neighborhood_services/reports/default.asp)

The City of Long Beach intends to provide reasonable accommodation in accordance with the Americans with Disability Act of 1990. If special accommodations are required, please call Alem S. Hagos at (562) 570-7403, at least 48 hours prior to the June 18, 2008 Public Hearing. Citizens wishing to provide written comments must do so by June 16, 2008. Written comments must be addressed to Community Development Advisory Commission, 444 West Ocean Boulevard, Suite 1700, Long Beach, California 90802.

## AVISO DE AUDIENCIA PÚBLICA Y NOTICIA DE DISPONIBILIDAD DE DOCUMENTO

**AVISO DE AUDIENCIA PÚBLICA:** El día Miércoles, **Junio 18, 2008, a las 6:00 PM**, la Comisión Consultiva de Desarrollo Comunitario de la Ciudad de Long Beach (CDAC) conducirá una Audiencia Pública en las **Cámaras Municipales del Ayuntamiento en 333 West Ocean Boulevard, Long Beach.**

El objetivo de la Audiencia Pública será para recibir el comentario del público sobre el Plan de Acción 2008 – 2009 (Plan de Acción), el cuarto plan anual de implementación bajo el Plan de Consolidación de cinco años 2005 – 2010 (**Plan de Consolidación**). El Plan de Consolidación describe y da prioridad a la vivienda y a las necesidades de desarrollo de la comunidad, como también a las actividades para resolver esas necesidades como se definen y pagadas por el Departamento de los EE.UU. de Dirección de Vivienda y Desarrollo Urbano con siglas en inglés HUD. Como un requisito de HUD, el Plan de Consolidación reúne en una presentación consolidada, la planificación y aspectos de solicitud para obtener los fondos para resolver esas prioridades de La Concesión para Refugio de Emergencia con siglas en inglés (ESG), HOME el Programa de Sociedad de Inversión (con siglas en inglés HOME), y la Iniciativa para la Entrada Inicial para El Sueño Americano con siglas en inglés (ADDI).

Las copias del Anteproyecto del Plan de Acción están disponibles en la Main Library, **101 Pacific Avenue**, o en **El Centro de Recursos de Vecindarios, 425 Atlantic Avenue**, o se puede obtener de la página web de Servicios de Vecindarios:

[www.longbeach.gov/cd/neighborhood\\_services/cdbg.asp](http://www.longbeach.gov/cd/neighborhood_services/cdbg.asp)

La Ciudad de Long Beach tiene la intención de proveer razonables acomodaciones de acuerdo con le Acto de Americanos con Incapacidades del 1990. Si se requiere acomodaciones especiales, por favor contacte a Alem S. Hagos al (562) 570-7403, por lo menos con 48 horas de anticipación antes de la Audiencia Pública del 18 de Junio, 2008. Los ciudadanos que deseen presentar sus comentarios por escrito, lo deben hacer para el 17 de Junio, 2008. Los comentarios por escrito deben ser enviados a: Community Development Advisory Commission, 444 West Ocean Boulevard, Suite 1700, Long Beach, California 90802.

## June 18th, 2008 Public Hearing Comments

The second and final public hearing on the FY 09 Action Plan was conducted on June 18, 2009. The hearing was held after extensive public outreach efforts that included discussion with over 13 community organizations regarding the FY 09 Action Plan development.

During the Public Hearing one written comment and two speakers addressed one or more overarching issues. Their comments (verbatim) and responses to their comments are included below:

### **KIM CRAWFORD**

Good evening, I am Kim Crawford from 1736 Family Crisis Center. I am here to thank you for continuing to include us in your plan. We deal with homeless population, specifically homeless population and that's domestic violence victims and their children. We have been part of City of Long Beach for eight years now and very proud to be part of this City, who continues to make homelessness a priority and trying to prevent homelessness and trying to move clients on to permanent housing. This is especially a hard year for us being in domestic violence because our State grants which is what was funding a lot of our ancillary services for our domestic violence victims, not just our housing has been cut. We don't know how much yet, but at least 10% for each of our contracts. So we are taking hundreds of thousands dollars worth of hits this year in domestic violence services and so we want to thank you for helping us with our, we receive SSG funds and HUD funding through the City of Long Beach. And if you are unaware how important these funds are for domestic violence victims, they just are. I thought, I am here every year and I say the same thing every year, these many clients come in, these many clients leave. This is what we do and I was just trying to come up with a number or a statistic or something that would help you understand how important our services are. And I couldn't think of anything else to say so I just asked one of the clients if they had anything to say. Actually, one of the clients came begging me, "please read this," so I really would like to read this if you don't mind. This is a quick, actually a poem that she wrote and she said this is her thank you letter to 1736 Family Crisis Center. And I explained to her that our money comes from the City of Long Beach and she said this is a thank you letter for Long Beach. But the title of it is, "In Memory of the Bird that Couldn't Flee and Died". She wrote in memory of those clients who could not make it to shelter for whatever reason and for those who didn't know about shelters. So I am just going to read that.

It all happened seven years ago. It became a victim of one of the most despicable crimes. I was trapped like a prey in a spider's web, like a bird who lives in a golden cage. But this bird was wounded, agonizing day after day. Living in constant fear expecting that the worst could happen any time, even loosing its precious life. It could not make any decision. It was

robbed of its own will. It was not anymore the builder of its own destiny. I became so weak my wings had been clipped. I had no self-esteem to the point that if I continued in this place I would lose my mind or perish. But the worst part of the situation was that the bird had a bird that was affected. My beloved most valuable treasure, so I had to make a decision because I knew deep in my heart that there's a rainbow after darkness. We had nowhere to go but I was ready and I planned a getaway. I reached for help and there it was. I will never forget that day my adrenalin was pumping. I was throwing in garbage bags a few of our belongings. My heart was beating so fast, I thought it was going to explode. I was covered with fear because of the predator was the father of my child, who for seven years verbally, physically, and psychologically was to catch us. Everything would have been in vain but God was on our side and put in our path two women, who helped us escape without trouble. As soon as I was out, I felt as if a load was off my shoulders. We were taken to this wonderful sanctuary, a shelter for battered women. The smell of peace was in the air. We were welcomed with unconditional love and compassion. I was overwhelmed. I did not remember that world is more than predators and prey. I was so thankful. God had guided me there and away from the spider who was probably angry had no more victim. Escaping from such a draining experience that I was exhausted, yet I was there showered with love and psychological support. We found the greatest gifts; freedom, peace, joy, hope and love. I am thankful that we survived, because there are some birds that refuse to live and die. Today I walk with my head up high because I am no longer that wounded agonizing bird in a golden cage. I became an eagle who will continue its journey freely and joyfully and against all odds will excel. Because I promised my little bird that we will never be in a golden cage again and we will live happily ever after.

That's her thank you letter to us and to you. And just so you know this family went on to be very successful. She is in a masters program and her child just graduated from a Long Beach High School. Thank you very much for your support.

**JULIE MEENAN**

Good Evening, I am Julie Meenan with the JSG Foundation. We are a Grant Making Organization, here in Long Beach, about 750,000.00 a year to organizations that serve women and children, 100 W. Broadway, Suite 270, Long Beach, 90802.

I have often spoken before this group. And first, I want to thank you very much, especially Michael. He has come a long way and learned a tremendous amount. This is a very very difficult Commission to serve on. The issues are very complicated and the format for funding is incredibly complicated and all that you do is greatly appreciated by the community. We fund organizations that serve other range from homeless organizations all the way up to the Long Beach Opera. I have been doing this for 20 years and I have been speaking before this group probably for the last 15. My comments are based on what I see within the community. How I think this group can really partner with the nonprofits that are in this city to deliver services to the low income and poverty families to make a difference. We have constantly spoken about how to improve the process and these hearings are greatly appreciated. I have continued to talk about how the nonprofits can deliver services to the community at a very affordable rate as opposed to the city. But today I want to specifically direct my comments about the Action Plan. When we talk about \$700,000.00 for sidewalk replacements, I have a very hard time figuring out how this helps low income families. I know it is to make the communities better but it also is the issue that City Council hears most and wants to address. Sidewalks seem a little far off from creating jobs and helping families move out of poverty. EO1, page 44, talks about funding and it basically boils down to \$17,750.00 per youth. EO2, boils down to \$4,217.00 per business. It doesn't include community based organizations or their ability to deliver services at a more affordable rate. The City needs to look at allowing Economic Development and Business Development to include nonprofits, it is not excluded by HUD. It is something they definitely fund, but the City of Long Beach has chosen not to use it. The City of Long Beach has yet to include that. SL1, cost \$200,000.00 per facility, and SL3, which is the clean-ups in \$13,000.00 per clean-up. I'd actually go out and clean it up for a lot less, but I think we need to look at how we are delivering these services and how much they are costing. The City continues to do these and show the numbers, but I don't think we are really making any changes that could really make a lot of changes. Project number 5, Code Enforcement, Property Management and Fair Housing is \$2,108,500.00. Were the Social Services Grant Program, to 19 Organizations, is \$770,000.00. I think there is something wrong with that equation. What is important in the City of Long Beach, up in North Long Beach there is the California Pools of Hope; they are delivering services to the neighborhood. These are kids that get no services, very close to Compton. They are bringing in 200 kids from the neighborhood on a budget of \$30,000.00. They received not a

dime from the City yet \$478,000.00 is going to serve low-income kids at a much smaller number. I am working with an in-site to bring something called a self-sufficiency calculator to the City of Long Beach. This is a \$150,000.00 software program, which will be staffed full time, which will help families come in to food banks, resource centers, any kind of nonprofit to talk to the family about where they stand, how they get off the public system, and how they move themselves from poverty to self-sufficiency. Whether they go to a food bank or whether they don't go to a food bank, they spend their time going to evening school or adult school to raise their income and send their kids to programs that have scholarships so that they can move themselves into a place where they can afford what they are doing. We are spending \$600,000.00 on parks and I have a hard time seeing how that helps families move themselves out of poverty. Number 7 is Economic Development. We are spending \$276,000.00 and \$2,132,000.00 for small businesses, which does not include nonprofits or churches, which delivered the majority of services in Long Beach. My last three points are: we are looking at \$100,000.00 to produce affordable housing. \$100,000.00 seems a little silly, can't do a lot with it. And we are talking about \$1.8 Million dollars for direct homeownership, which is great, \$294,000.00 for rental assistance, which is also great. \$190,000.00 for the American dream. But what happens with the home funds is, unless a family has received home funds; they can't apply for any of those services. They have to be a home recipient, which really limits the number they can serve and I looked through the proposal and I couldn't figure out the number of families that would receive home money to figure out how they could move themselves from the rental assistance to home ownership. The proposal has come a long way from when I first started dealing with it but it still takes a rocket scientist to figure out how you move some of these families from where they are in rental assistance to homeownership if their building didn't receive funds. The ESG money, Emergency Services Grants, is only \$19,000.00. The NAP program is an awesome program. Jill brought up, whether it is \$500,000.00 or \$570,000.00 What those funds do is help an organization fix their facility to make it ADA accessible, but what it also does is set them as a leader in their neighborhood. I often go out on my site visits and I talk to them. What I mentioned to the nonprofits is that they need to set the standard for what their neighborhood looks like. They need to be the block captain in their neighborhoods. They need to be the ones pulling the weeds, picking up the trash, not allow teens and the unemployed to loiter in front of the facility. And they need to set the bar high enough for the other neighbors and to bring them in for the block meetings and to talk about rising above just having a trashy neighborhood. It is really working, Social Services has done an awesome job. They received a NAP grant and that allowed them to repave their parking lot, fix their façade and now holding their block meetings there. The crime rate has dropped incredibly and they know their neighbors and they are starting to change the whole facility and there is a food pantry and now folks are now contributing to their thrift store and doing awesome things. So I think we have a really great start

on what we are doing. I think what the City should be looking at is trying to support this Self-Sufficiency Calculator, which is a very affordable way to help families move out of poverty. Thank you all for all your work. I know this is a tough commission and I appreciate you coming out at night. Thank you.

Action Plan Comment Worksheet

Sun Neang  
730 ½ Coronado Ave.  
Long Beach, CA 90804

My name is Sun, Neang, I am very excited that the City of Long Beach has many programs to improve the quality of life for the residents. I support all those ideas, but as a citizen, we need more Police protection in our Neighborhood.

Thank you  
God bless you

21707 Hawthorne Blvd. Suite 300  
Torrance, CA. 90504

Dear Ms. Crawford

Thank you for your participation and attendance at the 2008 Second Public Hearing of the 2008-2009 Action Plan on June 18<sup>th</sup>, 2008. We also appreciate the poem which you shared with us on behalf of your client.

The City of Long Beach remains committed to maintaining the current level of program support and services to the community. Through the use of ESG funds, the programs and services offered by nonprofit organizations like yours will continue to have the opportunity to create change in people's lives and improve our City's neighborhoods.

The City of Long Beach commends you in your effort to improve the lives of the citizens of our city. We hope to have your valuable contributions in the future. If you have any questions or further comments about the Action Plan, please feel free to call me at (562) 570-7403.

Sincerely,

Alem S. Hagos

Julie Meenan  
Josephine S. Gumbiner Foundation  
100 W. Broadway, Suite 270  
Long Beach, CA. 90802

Dear Mrs. Meenan

Thank you for your participating in the Second Public Hearing of the 2008-2009 Action Plan on June 18<sup>th</sup>, 2008.

During the Action Plan public comment period, you expressed many suggestions and concerns regarding the budgets and expenditures for some CDBG, HOME, and ESG funded activities. I would like address some of your concerns with the following information:

Only 15% or less of CDBG funds can be spent on public service activities. In the FY 09 Action Plan, the City is budgeting approximately \$1,348,000 in CDBG funds under the public service category, which is close to 100% of the cap for this category. Of this \$1,348,000 budget, \$910,000 (or 67%) is being contracted out to over 22 nonprofit agencies, private contractors, and Elementary/Middle Schools in order to provide various social service activities. \$160,000 (12%) of the public service budget is used to strengthen and build capacity in local nonprofit, neighborhood, and business organizations through the Neighborhood Resource Center. The balance, approximately \$278,000 (about 21%), is spent in public service programs that are implemented internally. This budgeted amount is used for neighborhood organizing activities that aid grassroots neighborhood organizations in arresting blight, reducing crime, and improving livability within Neighborhood Improvement Strategy areas.

As mentioned during your comment, the FY 09 Action Plan includes \$570,000 for Nonprofit Facility improvements. Having such a program available to nonprofits allows them to remove some of the facility improvement financial burden and concentrate their resources on providing more direct and improved services to their target populations.

I would like to take this opportunity to invite you to meet with me so that I can better explain our funding allocation process and address your other concerns not covered in this letter. To schedule a meeting time, please call me at (562) 570-7403.

Again, thank you for taking the time to participate in the Action Plan Public Hearing process.

Sincerely,

Alem S. Hagos  
Development Project Manager  
Neighborhood Services Bureau

Mr. Neang

Thank you for submitting your written comment on the 2008-2009 Action Plan.

The City of Long Beach remains committed to maintaining the current level of program support and services in the community. Through the use of CDBG funds, the City and nonprofit organizations will be able to offer programs and services to reduce and prevent crime in the community such as Community Police Centers, the Neighborhood Resource Center, and youth enrichment programs.

The City of Long Beach commends you in your effort to improve the lives of the citizens of our city. We hope to have your valuable contributions in the future. If you have any questions or further comments about the Action Plan, please feel free to call me at (562) 570-7403.

5/7/2007

FOR IMMEDIATE RELEASE

PRESS RELEASE #CM: 050707

**Subject :** Biannual Point-in-Time Homeless Count Shows Decline from 2005, 2003 Snapshots in Long Beach  
**Contact :** Corinne Schneider, Manager, Human and Social Services  
Bureau 570.4001

A point-in-time survey counted 3,829 homeless persons in the City of Long Beach earlier this year. This represents a 15 percent reduction from the last count in 2005, and a 35 percent reduction from the first count conducted in 2003.

The Department of Health and Human Services (Health Department) completed the third biannual homeless count as required by the U.S. Department of Housing and Urban Development (HUD). HUD mandates that all jurisdictions receiving federal funds for support services to homeless persons complete a point-in-time street and service-based homeless count every two years. These counts are being conducted in an effort to estimate a local, state and national snapshot of homelessness. The results from this count are reported to the federal government each year to help determine existing resources, identify gaps and highlight progress toward ending homelessness.

The count involved two distinct aspects. For the street count, the Health Department deployed approximately 300 community members to conduct a count of homeless persons on January 25. The City of Long Beach was divided into 47 segments, and teams of three individuals canvassed each segment to count the homeless.

The service-based component involving getting information from emergency, transitional and permanent supportive housing programs that represented occupancy on January 25 in Long Beach. These results yielded a high occupancy rate of 93% for residential programs and shelters citywide (1,679 beds were occupied out of approximately 1,800 residential program beds).

For additional information on the count, or other information on the Health Department's Homeless Programs, please contact Susan Price, Homeless Services Officer, at 570.4003.

#11	Multi-Family Residential Rental Rehabilitation	<b>14B Rehabilitation: Multi-Unit Residential</b>	CDBG \$0
CDHOME-08	Housing	570202	ESG \$0 HOME \$950,953.60
	Low interest loans, typically 0%, to private owners, nonprofit housing developers, and certified CHDO's to rehabilitate multi-family residential rental properties for occupancy by low and very-low income households at affordable rents. Loans to nonprofit housing developers, and certified CHDO's may include funds for acquisition and rehabilitation of the properties. Funds may include eligible CHDO operating expenses if the developer is a CHDO. Loans may be on a residual receipts basis for non-profit developers, and CHDO's. May refinance existing City HOME funded loans and provide new funds to rehabilitate and preserve existing deed restrictions for low and very-low income households for non-profit developers.	58 Housing Units	HOPWA \$0 <b>TOTAL \$3,272,134</b>
	This project also includes acquisition and/or rehabilitation by the City and/or The Long Beach Housing Development Company of HUD foreclosed properties for rent to low and very-low income households, or the City may designate a non-profit housing developer to rehabilitate and manage the acquired units for rent, or may sell properties to providers of rental housing.

## NON-STATE GOVERNMENT CERTIFICATIONS

In accordance with the applicable statutes and the regulations governing the consolidated plan regulations, the jurisdiction certifies that:

**Affirmatively Further Fair Housing** -- The jurisdiction will affirmatively further fair housing, which means it will conduct an analysis of impediments to fair housing choice within the jurisdiction, take appropriate actions to overcome the effects of any impediments identified through that analysis, and maintain records reflecting that analysis and actions in this regard.

**Anti-displacement and Relocation Plan** -- It will comply with the acquisition and relocation requirements of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended, and implementing regulations at 49 CFR 24; and it has in effect and is following a residential antidisplacement and relocation assistance plan required under section 104(d) of the Housing and Community Development Act of 1974, as amended, in connection with any activity assisted with funding under the CDBG or HOME programs.

**Drug Free Workplace** -- It will or will continue to provide a drug-free workplace by:

1. Publishing a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in the grantee's workplace and specifying the actions that will be taken against employees for violation of such prohibition;
2. Establishing an ongoing drug-free awareness program to inform employees about –
  - a. The dangers of drug abuse in the workplace;
  - b. The grantee's policy of maintaining a drug-free workplace;
  - c. Any available drug counseling, rehabilitation, and employee assistance programs; and
  - d. The penalties that may be imposed upon employees for drug abuse violations occurring in the workplace;
3. Making it a requirement that each employee to be engaged in the performance of the grant be given a copy of the statement required by paragraph 1;
4. Notifying the employee in the statement required by paragraph 1 that, as a condition of employment under the grant, the employee will –
  - a. Abide by the terms of the statement; and
  - b. Notify the employer in writing of his or her conviction for a violation of a criminal drug statute occurring in the workplace no later than five calendar days after such conviction;
5. Notifying the agency in writing, within ten calendar days after receiving notice under subparagraph 4(b) from an employee or otherwise receiving actual notice of such conviction. Employers of convicted employees must provide notice, including position title, to every grant officer or other designee on whose grant activity the convicted employee was working, unless the Federal agency has designated a central point for the receipt of such notices. Notice shall include the identification number(s) of each affected grant;
6. Taking one of the following actions, within 30 calendar days of receiving notice under subparagraph 4(b), with respect to any employee who is so convicted –
  - a. Taking appropriate personnel action against such an employee, up to and including termination, consistent with the requirements of the Rehabilitation Act of 1973, as amended; or
  - b. Requiring such employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for such purposes by a Federal, State, or local health, law enforcement, or other appropriate agency;
7. Making a good faith effort to continue to maintain a drug-free workplace through implementation of paragraphs 1, 2, 3, 4, 5 and 6.

**Anti-Lobbying** -- To the best of the jurisdiction's knowledge and belief:

8. No Federal appropriated funds have been paid or will be paid, by or on behalf of it, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement;
9. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, it will complete and submit

## SPECIFIC CDBG CERTIFICATIONS

The Entitlement Community certifies that:

**Citizen Participation --** It is in full compliance and following a detailed citizen participation plan that satisfies the requirements of 24 CFR 91.105.

**Community Development Plan --** Its consolidated housing and community development plan identifies community development and housing needs and specifies both short-term and long-term community development objectives that provide decent housing, expand economic opportunities primarily for persons of low and moderate income. (See CFR 24 570.2 and CFR 24 part 570)

**Following a Plan --** It is following a current consolidated plan (or Comprehensive Housing Affordability Strategy) that has been approved by HUD.

**Use of Funds --** It has complied with the following criteria:

11. **Maximum Feasible Priority -** With respect to activities expected to be assisted with CDBG funds, it certifies that it has developed its Action Plan so as to give maximum feasible priority to activities which benefit low and moderate income families or aid in the prevention or elimination of slums or blight. The Action Plan may also include activities which the grantee certifies are designed to meet other community development needs having a particular urgency because existing conditions pose a serious and immediate threat to the health or welfare of the community, and other financial resources are not available);
12. **Overall Benefit -** The aggregate use of CDBG funds including section 108 guaranteed loans during program year(s) 2008 - 2009 (a period specified by the grantee consisting of one, two, or three specific consecutive program years), shall principally benefit persons of low and moderate income in a manner that ensures that at least 70 percent of the amount is expended for activities that benefit such persons during the designated period;
13. **Special Assessments -** It will not attempt to recover any capital costs of public improvements assisted with CDBG funds including Section 108 loan guaranteed funds by assessing any amount against properties owned and occupied by persons of low and moderate income, including any fee charged or assessment made as a condition of obtaining access to such public improvements.

However, if CDBG funds are used to pay the proportion of a fee or assessment that relates to the capital costs of public improvements (assisted in part with CDBG funds) financed from other revenue sources, an assessment or charge may be made against the property with respect to the public improvements financed by a source other than CDBG funds.

The jurisdiction will not attempt to recover any capital costs of public improvements assisted with CDBG funds, including Section 108, unless CDBG funds are used to pay the proportion of fee or assessment attributable to the capital costs of public improvements financed from other revenue sources. In this case, an assessment or charge may be made against the property with respect to the public improvements financed by a source other than CDBG funds. Also, in the case of properties owned and occupied by moderate-income (not low-income) families, an assessment or charge may be made against the property for public improvements financed by a source other than CDBG funds if the jurisdiction certifies that it lacks CDBG funds to cover the assessment.

**Excessive Force --** It has adopted and is enforcing:

14. A policy prohibiting the use of excessive force by law enforcement agencies within its jurisdiction against any individuals engaged in non-violent civil rights demonstrations; and
15. A policy of enforcing applicable State and local laws against physically barring entrance to or exit from a facility or location which is the subject of such non-violent civil rights demonstrations within its jurisdiction;

**Compliance With Anti-discrimination laws --** The grant will be conducted and administered in conformity with title VI of the Civil Rights Act of 1964 (42 USC 2000d), the Fair Housing Act (42 USC 3601-3619), and implementing regulations.

**Lead-Based Paint** -- Its activities concerning lead-based paint will comply with the requirements of part 35, subparts A, B, J, K and R, of title 24;

**Compliance with Laws** -- It will comply with applicable laws.

**OPTIONAL CERTIFICATION  
CDBG**

Submit the following certification only when one or more of the activities in the action plan are designed to meet other community development needs having a particular urgency as specified in 24 CFR 570.208(c):

The grantee hereby certifies that the Annual Plan includes one or more specifically identified CDBG-assisted activities, which are designed to meet other community development needs having a particular urgency because existing conditions pose a serious and immediate threat to the health or welfare of the community and other financial resources are not available to meet such needs.

**SPECIFIC HOME CERTIFICATION**

The HOME participating jurisdiction certifies that:

**Tenant Based Rental Assistance** -- If the participating jurisdiction intends to provide tenant-based rental assistance:

The use of HOME funds for tenant-based rental assistance is an essential element of the participating jurisdiction's consolidated plan for expanding the supply, affordability, and availability of decent, safe, sanitary, and affordable housing.

**Eligible Activities and Costs** -- it is using and will use HOME funds for eligible activities and costs, as described in 24 CFR § 92.205 through 92.209 and that it is not using and will not use HOME funds for prohibited activities, as described in § 92.214.

**Appropriate Financial Assistance** -- before committing any funds to a project, it will evaluate the project in accordance with the guidelines that it adopts for this purpose and will not invest any more HOME funds in combination with other Federal assistance than is necessary to provide affordable housing;

**AMERICAN DREAM DOWNPAYMENT INITIATIVE  
CERTIFICATION OF PRIOR COMMITMENT TO HOMEBUYER  
ASSISTANCE**

Being so authorized, I do hereby certify that the City of Long Beach, California, a participating jurisdiction (PJ) in the HOME Investment Partnerships Program, has funded a local homebuyer program within the current geographic boundaries of the PJ using at least one of the following resources administered by the PJ or any of its agencies or instrumentalities or, if a consortium, any individual member of the consortium:

Mortgage Revenues Bond;  
State funds;  
Local funds.

I understand that supporting documentation for this certification need not be provided to HUD at this time but must be maintained on file and is subject to monitoring review.

## ESG CERTIFICATIONS

I, Patrick H. West, Chief Executive Officer of the City of Long Beach, certify that the local government will ensure the provision of the matching supplemental funds required by the regulation at 24 *CFR* 576.51. I have attached to this certification a description of the sources and amounts of such supplemental funds.

I further certify that the local government will comply with:

1. The requirements of 24 *CFR* 576.53 concerning the continued use of buildings for which Emergency Shelter Grants are used for rehabilitation or conversion of buildings for use as emergency shelters for the homeless; or when funds are used solely for operating costs or essential services.
2. The building standards requirement of 24 *CFR* 576.55.
3. The requirements of 24 *CFR* 576.56, concerning assurances on services and other assistance to the homeless.
4. The requirements of 24 *CFR* 576.57, other appropriate provisions of 24 *CFR* Part 576, and other applicable federal laws concerning nondiscrimination and equal opportunity.
5. The requirements of 24 *CFR* 576.59(b) concerning the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970.
6. The requirement of 24 *CFR* 576.59 concerning minimizing the displacement of persons as a result of a project assisted with these funds.
7. The requirements of 24 *CFR* Part 24 concerning the Drug Free Workplace Act of 1988.
8. The requirements of 24 *CFR* 576.56(a) and 576.65(b) that grantees develop and implement procedures to ensure the confidentiality of records pertaining to any individual provided family violence prevention or treatment services under any project assisted with ESG funds and that the address or location of any family violence shelter project will not be made public, except with written authorization of the person or persons responsible for the operation of such shelter.
9. The requirement that recipients involve themselves, to the maximum extent practicable and where appropriate, homeless individuals and families in policymaking, renovating, maintaining, and operating facilities assisted under the ESG program, and in providing services for occupants of these facilities as provided by 24 *CFR* 76.56.
10. The requirements of 24 *CFR* 576.57(e) dealing with the provisions of, and regulations and procedures applicable with respect to the environmental review responsibilities under the National Environmental Policy Act of 1969 and related authorities as specified in 24 *CFR* Part 58.

11. The requirements of 24 *CFR* 576.21(a)(4) providing that the funding of homeless prevention activities for families that have received eviction notices or notices of termination of utility services will meet the requirements that: (A) the inability of the family to make the required payments must be the result of a sudden reduction in income; (B) the assistance must be necessary to avoid eviction of the family or termination of the services to the family; (C) there must be a reasonable prospect that the family will be able to resume payments within a reasonable period of time; and (D) the assistance must not supplant funding for preexisting homeless prevention activities from any other source.
12. The new requirement of the McKinney-Vento Act (42 *USC* 11362) to develop and implement, to the maximum extent practicable and where appropriate, policies and protocols for the discharge of persons from publicly funded institutions or systems of care (such as health care facilities, foster care or other youth facilities, or correction programs and institutions) in order to prevent such discharge from immediately resulting in homelessness for such persons. I further understand that state and local governments are primarily responsible for the care of these individuals, and that ESG funds are not to be used to assist such persons in place of state and local resources.
13. HUD's standards for participation in a local Homeless Management Information System (HMIS) and the collection and reporting of client-level information.

I further certify that the submission of a completed and approved Consolidated Plan with its certifications, which act as the application for an Emergency Shelter Grant, is authorized under state and/or local law, and that the local government possesses legal authority to carry out grant activities in accordance with the applicable laws and regulations of the U. S. Department of Housing and Urban Development.

**APPENDIX TO CERTIFICATIONS**

Instructions Concerning Lobbying and Drug-Free Workplace Requirements

**Lobbying Certification**

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by section 1352, title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such failure.

**Drug-Free Workplace Certification**

1. By signing and/or submitting this application or grant agreement, the grantee is providing the certification.
2. The certification is a material representation of fact upon which reliance is placed when the agency awards the grant. If it is later determined that the grantee knowingly rendered a false certification, or otherwise violates the requirements of the Drug-Free Workplace Act, HUD, in addition to any other remedies available to the Federal Government, may take action authorized under the Drug-Free Workplace Act.
3. Workplaces under grants, for grantees other than individuals, need not be identified on the certification. If known, they may be identified in the grant application. If the grantee does not identify the workplaces at the time of application, or upon award, if there is no application, the grantee must keep the identity of the workplace(s) on file in its office and make the information available for Federal inspection. Failure to identify all known workplaces constitutes a violation of the grantee's drug-free workplace requirements.
4. Workplace identifications must include the actual address of buildings (or parts of buildings) or other sites where work under the grant takes place. Categorical descriptions may be used (e.g., all vehicles of a mass transit authority or State highway department while in operation, State employees in each local unemployment office, performers in concert halls or radio stations).
5. If the workplace identified to the agency changes during the performance of the grant, the grantee shall inform the agency of the change(s), if it previously identified the workplaces in question (see paragraph three).
6. The grantee may insert in the space provided below the site(s) for the performance of work done in connection with the specific grant: Place of Performance (Street address, city, county, state, zip code) Check if there are workplaces on file that are not identified here. The certification with regard to the drug-free workplace is required by 24 CFR part 21.

Place Name	Street	City	County	State	Zip
Neighborhood Services Bureau	444 W. Ocean Blvd, Ste 1700	Long Beach	Los Angeles	CA	90802
City of Long Beach	333 W. Ocean Blvd, 3 <sup>rd</sup> Floor	Long Beach	Los Angeles	CA	90802
Code Enforcement	100 W. Broadway, Ste 400	Long Beach	Los Angeles	CA	90802
Housing Rehabilitation	444 W. Ocean Blvd, Ste 1700	Long Beach	Los Angeles	CA	90802
Health and Human Services	2525 Grand Avenue	Long Beach	Los Angeles	CA	90815
Economic Development	110 Pine Avenue, #1100	Long Beach	Los Angeles	CA	90802
Neighborhood Resource Center	425 Atlantic Avenue	Long Beach	Los Angeles	CA	90802
Parks, Recreation, and Marine	2760 Studebaker Road	Long Beach	Los Angeles	CA	90815

7. Definitions of terms in the Nonprocurement Suspension and Debarment common rule and Drug-Free Workplace common rule apply to this certification. Grantees' attention is called, in particular, to the following definitions from these rules: "Controlled substance" means a controlled substance in Schedules I through V of the Controlled Substances Act (21 U.S.C. 812) and as further defined by regulation (21 CFR 1308.11 through 1308.15); "Conviction" means a finding of guilt (including a plea of *nolo contendere*) or imposition of sentence, or both, by any judicial body charged with the responsibility to determine violations of the Federal or State criminal drug statutes; "Criminal drug statute" means a Federal or non-Federal criminal statute involving the manufacture, distribution, dispensing, use, or possession of any controlled substance; "Employee" means the employee of a grantee directly engaged in the performance of work under a grant, including:
  - a. All "direct charge" employees;
  - b. all "indirect charge" employees unless their impact or involvement is insignificant to the performance of the grant; and
  - c. temporary personnel and consultants who are directly engaged in the performance of work under the grant and who are on the grantee's payroll. This definition does not include workers not on

the payroll of the grantee (e.g., volunteers, even if used to meet a matching requirement; consultants or independent contractors not on the grantee's payroll; or employees of subrecipients or subcontractors in covered workplaces).

Note that by signing these certifications, certain documents must be completed, in use, and on file for verification. These documents include:

1. Analysis of Impediments to Fair Housing
2. Citizen Participation Plan
3. Anti-displacement and Relocation Plan
