

YOU'RE INVITED TO

COMMUNITY
WORKSHOP
#2

SILVERADO PARK
1545 W. 31st St. Long Beach, CA

9:00 A.M. - 11:30 A.M.

MAR

SATURDAY

14

2015

The City of Long Beach invites you to attend the second community workshop to move forward two key planning efforts that will have a major impact on enhancing the quality of life in West Long Beach. We need your continued input to build on what we started at the first meeting in December!

LIVABLE
WEST LONG BEACH

Livable West Long Beach (West Long Beach Livability Implementation Plan) will coordinate, prioritize, and establish a comprehensive strategy to implement improvement projects that have been identified through previous planning efforts. This workshop will present a prioritized project list based on criteria established by the community at the December workshop. Results of the first workshop can be found online at www.lbds.info/westlongbeachplan.

Livable West Long Beach is funded through the generosity of the Long Beach Board of Harbor Commissioners.

For more information regarding Livable West Long Beach, contact Brant Birkeland at 562.570.6922 or brant.birkeland@longbeach.gov. For further information regarding Green TI, contact Ira Brown at 562.570.5972 or ira.brown@longbeach.gov. For the latest news or to get involved, visit: <http://www.lbds.info/westlongbeachplan> or www.lbds.info/green_ti.

This information is available in alternative format by request at 562.570.7744.

GREEN TI

Green TI (Terminal Island [TI] Freeway Transition Plan) will recommend a concept for decommissioning and converting the freeway into a local serving road with an associated greenbelt. This workshop will ask residents to further define how the TI Freeway should be transformed based on input received at the first workshop. Results of the workshop can be found online at www.lbds.info/green_ti.

Green TI is funded by a City awarded Caltrans grant.
