

THE CITY OF LONG BEACH INVITES YOU TO THE...

# GREEN TI CELEBRATION

LOCATED ON HILL STREET  
NEAR HUDSON PARK

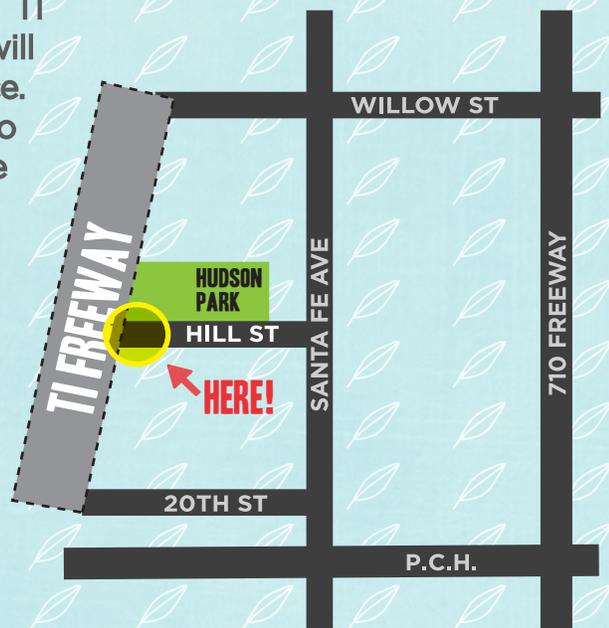

SATURDAY, OCTOBER 24, 2015  
10:00 AM - 2:00 PM

FREE, FUN-FILLED, FAMILY-FRIENDLY BOOTHS & FOOD!

The Green Terminal Island (TI) Freeway Transition Plan will recommend a concept for decommissioning and converting the TI Freeway into a local-serving road with an associated greenbelt. Invite your friends and family to the Green TI community workshop event, where the project team will present the preliminary designs for the transformed space. Come join us where Hill Street meets the TI Freeway next to Hudson Park. Free parking is available on Hill Street. The Plan represents the initial step in a larger community outreach process that includes environmental review, traffic impact analysis, and other technical studies.

Funding for this Plan has been provided by a Caltrans Environmental Justice Planning Grant. For more information regarding the TI Freeway Transition Plan, contact Ira Brown at 562.570.5972 or [ira.brown@longbeach.gov](mailto:ira.brown@longbeach.gov). For the results of the first three community workshops or to get involved, visit [www.lbds.info/green\\_ti](http://www.lbds.info/green_ti).
