

LISTEN UP, LONG BEACH!

The City of Long Beach is updating the General Plan **Noise Element**, and we want to hear your thoughts about noise concerns in Long Beach.

See reverse for details on how you can get involved!

A diverse group of people of various ages and ethnicities are shown in a city setting, some looking at a tablet. The background features a city skyline with various buildings.

General Plan **NOISE ELEMENT UPDATE**

THE PROJECT

Over the coming months, the City of Long Beach will be updating the **General Plan Noise Element**. The Noise Element identifies noise concerns from a variety of sources, and addresses them through an established set of goals, policies, and implementation measures.

GOALS

The updated noise element will improve quality of life for Long Beach residents through a tailored approach to noise throughout the City.

YOU

Get involved! Learn how to submit location-based comments and photos through the City's online tool found here: www.lbds.info/noise_element_update
