**NOTICE OF FUNDING AVAILABILITY (NOFA)
COMMUNITY HOUSING DEVELOPMENT ORGANIZATIONS (CHDO)**

DUE DATE: MAY 24, 2019

NOFA OVERVIEW AND GENERAL INFORMATION

OPPORTUNITY

The City of Long Beach Department of Development Services (City) announces the availability of approximately \$1.2 million in HOME Investment Partnerships Program (HOME) funds to be allocated to established Community Housing Development Organizations (CHDOs). Eligible activities under the NOFA are limited to the acquisition and/or rehabilitation of rental housing units serving individuals or households with developmental disabilities.

As appropriate, financial assistance to selected projects will be made in the form of direct loans and/or deferred payment loans. The rates and terms of the loans shall be subject to negotiation on a project-by-project basis. All loans will be secured by a first or second lien on the property.

The deadline for submitting proposals in response to the NOFA is May 24, 2019. Proposals will be reviewed for compliance with the HOME Program regulations and the terms of this NOFA. Projects that are determined to comply with both the HOME Program Regulations and the NOFA will be evaluated according to the established NOFA Evaluation Criteria.

The project(s) determined to be the most competitive will be presented to the LBCIC for confirmation and loan approval. The City reserves the right to request additional information and/or to reject any or all proposals.

The amount of financial assistance allocated to eligible projects under this NOFA will be limited to the availability of HOME funds. These funds will be made available October 1, 2019.

NOFA OVERVIEW AND GENERAL INFORMATION

HUD REGULATIONS

The availability and use of these funds is subject to the HOME Program regulations imposed by the United States Department of Housing and Urban Development (HUD). A sample of pertinent HUD regulations follows:

1. 24 CFR Part 92, which is the “HOME Final Rule”;
2. 24 CFR §92.351 for fair housing;
3. 24 CFR §92.352 for environmental requirements;
4. 24 CFR §92.353 for the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 and Section 104(d) of Housing and Community Development Act of 1974;
5. 24 CFR §92.354 and the Davis-Bacon Act for labor standards;
6. 24 CFR §92.356 for conflict of interest;
7. Where the 2014 Uniform Multifamily Rules are in conflict with the HOME Final Rule, the HOME regulations shall govern; and
8. 24 CFR Part 135 describes the HUD Section 3 requirements for HUD funded assistance connected to construction, rehabilitation, demolition or other public construction.

Specific implementing requirements imposed by the HOME Final Rule can be summarized as follows:

1. If an owner chooses to adopt and follow a written tenant selection policy that limits eligibility or gives a preference to a particular segment of the population, as permitted in the written agreement, the limitation or preference must not violate the nondiscrimination requirements imposed in 24 CFR §92.350. The owner must state whether or not a preference will be used for tenant selection prior to closing.
2. Awardees must use the HUD Utility Schedule Model for utility allowances. The utility allowances will be calculated by the City on an annual basis, and provided to the awardees with a deadline for implementation.

NOFA OVERVIEW AND GENERAL INFORMATION

3. Housing must be occupied by eligible tenants within six months following completion of construction or rehabilitation.
4. If one of the following events occurs, the HOME funds must be repaid:
 - a. For any housing unit that has not been rented to eligible households within 18 months following the completion of construction; or
 - b. If the project is not completed within four years of the date funds were committed.
5. If a CHDO is created or sponsored by a for profit entity, the officers and employees of the for profit entity may not be officers or employees of the CHDO.
6. If a CHDO is acting as a developer or sponsor, the CHDO must have paid employees with housing development experience who will work on the HOME-assisted project. For its first year of funding as a CHDO, the CHDO may satisfy this requirement through a contract with a consultant that has housing development experience to train appropriate key staff of the organization.
7. If a CHDO is acting as an owner, it must demonstrate the capacity to act as owner of a project including:
 - a. The ability to hire and oversee the developer that constructs or rehabilitates the project;
 - b. The ability to hire or contract with an experienced project manager to oversee all aspects of the development; and
 - c. The ability to own and operate the project for the duration of the affordability period mandated by HUD.

CHDO's should carefully review the HOME Program Regulations prior to submitting a HOME CHDO Program Proposal. Please direct questions regarding this NOFA to Silvia Medina at silvia.medina@longbeach.gov

EXCERPTS FROM AN IRS LETTER

A sample of typical requests from the IRS to organizations seeking 501(c)(3) status is provided below. Although all situations are unique, this sample can help an organization more effectively plan and prepare for the process. For additional information, contact your local IRS office.

1. Submit a detailed description of all the activities of the organization -- past, present, and planned -- showing how you operate or will operate to achieve your purposes. Each activity should be separately described and the description should include as a minimum, the following:
 - a. Its purpose and nature.
 - b. Frequency and duration
 - c. How, when, where, and by whom it was, is, or will be conducted.
 - d. The requirements a person or organization must meet in order to participate in or receive benefit from the activity.
 - e. The amounts of any charges or fees and the basis for them.
 - f. What the activity has accomplished or will accomplish.
 - g. State what percentage of the total time and effort of the organization is devoted to carrying out each activity.

2. If the organization pays, has paid, or will pay compensation to or on behalf of persons who are officers, directors, or trustees or members of their families, or any other compensation, submit the following:
 - a. The name and title or relationship of such person to whom payment has been, is being, or will be paid.
 - b. The nature and/or purpose of payments (i.e., salary, wage, housing allotment, car allowance, etc.) and the amount of payment made or to be made on behalf of such person. If payments are to be made in more than one category, state each separately.
 - c. A detailed description of the positions filled by and the duties and services for which compensation will be paid.

- d. The amount of time each person devotes to the position (if prospective, how the payment will be affected by an upward or downward adjustment in time based on need of the organization).
 - e. The qualifications (training, background, experience) of such person for the position, duties, and services.
 - f. If any such person is employed outside the organization, the hours per week and weeks per year devoted to such outside employment.
 - g. Who determines compensation to be paid? What criteria are used to determine compensation?
 - h. How do you or will you insure that all compensation paid is "reasonable" and in return for service rendered?
 - i. Does the organization pay or plan to pay any of the personal living expenses of employees, directors, officers, founders, members, etc.? If so, explain in detail. Be specific.
3. Submit copies of any brochures, pamphlets, newsletters, advertisements, or other literature regarding your organization.
 4. Providing housing for individuals who earn a certain percentage of an area's median income is not sufficient to establish that you are operated exclusively for charitable purposes, a prerequisite for exemption under Section 501(c)(3). Basing a determination of exempt status on a strict percentage test is generally not sufficient to confer tax-exempt status under Section 501(c)(3).

If it appears that the organization may be engaged in assisting the poor and distressed, the organization must be able to show how it qualifies under 501(c)(3). If you claim to be eliminating prejudice and discrimination, submit descriptions of the existing prejudicial and discriminatory conditions that exist in the areas you are targeting for assistance and an explanation of how your activities will seek to alleviate such conditions. Be specific in your descriptions. Describe any educational or other programs you will provide to eliminate prejudice and/or discrimination.

5. If you claim to combat community deterioration, submit descriptions of the areas you will be targeting for relief. Provide evidence of the deterioration of the community. State whether any of the areas you will be targeting for assistance have been recognized as depressed by a governmental agency.

- a. Submit a copy of such determination as to the condition of the area served.
 - b. Submit a description from the authorizing agency as to how that agency defines “blight.”
6. State whether any of your housing recipients will earn more than 80% of the area's median income.
 7. Why do you include moderate income families in your housing activities? How will this serve a charitable purpose? Discuss in detail.
 8. Have you been issued an employer identification number? If so, please let us know the number that has been assigned to you.
 9. Please submit any additional information you feel will help us better understand your organization.

CERTIFICATIONS

By signing below:

1. The applicant organization certifies that the information provided in this application for certification as a CHDO is true and complete;
2. The applicant organization understands that the City may conduct its own independent review of the materials submitted by the applicant, and may verify information from any source; and
